A few straight out Americans who, for reasons best known to themselves, disapprove of the union moment which resulted in the nomination of DAVID WILMOT for Governor, have issued a call for an jury retired at 7 o'clock this evening to American State Convention at Lancaster deliberate on a verdict. The Americans of the various counties were fully and fairly represented in the State Convention,-their delegates went there in good faith, prepared to abide the people could be prevailed upon to give result whatever it might be,-and casting them air and room. The friends of the Tyrone and Lock Haven Railroad will be glad to learn that the Western Division of said road, from Bellefonte to Tyrone, is under contract. The letting took place at Unionville, on the 7th inst. A large number of bids were made. After carefully examining tained that Samuel Brady & Co. had agreed to grub, grade, bridge and finish the road ready for the ties and rails for the sum of \$65,500, which being the lowest bid the Board accepted it and at once entered into an article of agreement to that effect. REJECTION OF THE CENTRAL AMERICAN TREATY.-A late arrival from Europe brought the news that the Central American treaty, recently made by Mr. Dallas and Lord Clarendon, and ratified by the United States Senate with amendments, had been rejected by the British government-the alterations by Senate being unsatisfactory. This throws the whole subject open again, but it is not probable that it will lead to any more difficulties. The English government has expressed a willinguess to open new negotiations. It is said our government will take no further steps in the matter until the assembling of Congress, when the whole subject will be laid before the Senate.

New York, Sunday, May 10 -The Washington correspondent of the Herald, states that General Cass takes the rejection of the Dallas-Clarendon treaty in high dudgeon.

COLUMBIA COLLEGE, NEW YORK .- On Tuesday last the students sang "Auld Lang Syne" upon closing educational exercises with the old building, which is to be demolished. Its corner stone has been disinterred, which bears the following inscription in Latin :

"The most excellent CHARLES HARDY, Knight Vaneret, and most worthy Governor of this Province, on 3d of August, 1756, placed this foundation-stone of this College, called Kings, established by Royal diploma, in honor of Almighty God, and for the advantage of the Church and the Commonwealth.

TROUBLE IN THE PARTY .- An unpaid grog bill has involved the Central Committee of the New York Buchanan party in a deal of trouble. The fun of it is, a darkey is the prosecutor. It seems that in a jubilee over the election of Buchanan they not only ate his bread but drank his wine to excess, and then like a pack of ingrates, walked off and refused to pay him. Sambo, however, is not to be trifled with, insists on his rights, and, with the air of a hero, drags them to judgment.

I hereby exitive that I have used W. O. Hickok's Improved Portable Cider Mill, and consider it a valuable invention in the cost, any of time. The cider is eleaner and better than that made in the acual way. I am well pleased with it, and should be unwilling to part with it for quite a premium on the airwanced cost. JOHN S. HALE.
