

Lewisburg, Pa.

ADVERTISEMENTS--Manufacturers, Merchants, Mechanics, Public Officers in City and County, Publishers--all who wish to buy or sell--should call on the Editor of the Lewisburg Chronicle, who has a large and increasing circulation in a community containing a large proportion of active, solvent producers, consumers and dealers, as any in this State.

See New Advertisements.

Real Estate. A very valuable Mill Property and Farm near Williamsport are offered at Public sale in our columns to-day.

Also the Town Property heretofore occupied by the Presbyterian church in this place--a superior chance for eligible sites for dwellings or business.

The Prothonotary's and other county offices were informed will be closed to-morrow.

Lot M. MORRILL (who spoke in Lewisburg last fall) is the Republican candidate for Governor of Maine; H. Smith the Democratic.

We invite the Editors who are in Lewisburg on the 4th, to meet at the Chronicle office at 2 P. M., and fix the time for the Newspaper Convention at Danville.

Thanks to Hon. John C. Kunkle for the Congressional Globe and Appendix for 1856 and 1857--and to Hon. Henry C. Hickock of the Laws of Pennsylvania for 1857.

The track for the Susquehanna Railroad was laid to Port Trevorton, but the rains last week destroyed some bridges, and delayed the anticipated opening of the road, this week.

The proposed amendments to the Constitution of this State are again published for the consideration of the people, and are to be voted upon, separately, and not en masse, this fall.

Prof. M'Farland of Freeburg Academy made us a brief visit this week. We rejoice to hear of the progress of this Institution, which enrolled over 200 Students the past year.

Rev. Benj. Bausman arrived at New York, from his Eastern trip, on Sunday last, and is expected by his congregation in Lewisburg to preach on Sunday of next week--July 12th.

THE LAST DAY--The county is in want of money to pay the Court House furnishing, the Hartley bridge, &c.

Wednesday of next week, will be the last day when Collectors can call on taxpayers to pay State Tax and save 3 per cent.

There was a slide from the mountain on the railroad below Williamsport, Wednesday, which stopped the train, and we got no western mail that day. Yesterday's Harrisburg mail missed also. The rain and high water are very troublesome.

SKIES BRIGHT--A Hollidaysburg correspondent of the Times, who has visited many counties in this State, thinks Wilmot will be elected. He says there are thousands of old-line Whigs and others who voted for Buchanan from State Pride only, who will support Wilmot.

The force of an "election" is to be gone through with again in France. But as Napoleon prescribes the detail, it is impossible for the Republicans to be heard, and those who abuse the name of "Democracy" have full swing there as in Kansas.

GODEY'S LADY'S BOOK FOR JULY came to hand promptly as ever--commencing vol. 55, and being in the 27th year of its publication by the same person. We have scarcely ever missed a number of the Book during a dozen years of "exchange" in which we have always had the best of the bargain. Tales and sketches, hints in domestic economy, Engravings, fashions, &c, have long rendered the Book immensely popular with the Ladies. (We continue to club the Book and CHRONICLE one year for \$3.50, cash in advance.

SALE OF THE MAIN LINE--We noticed in a part of our last week's edition, that the Main Line of the Public Works, was sold on Thursday evening of last week, to the President of the Penn'a. R. R. Co., for \$7,500,000--the lowest price allowed by the bill. So it may be presumed that most of State-fed cormorants will be routed. The people of the State have long sought for this event, as a means of reducing the State debt, and thanks to Gov. Pollock's persistent efforts, the hoped-for result seems now on a fair way for trial.

Sensible and Honest. The Americans of Massachusetts have repudiated both the Philad and Louisville "National" platforms, and nominated Speaker Banks for Governor. The Republicans also nominated Mr. Banks, and he accepts, and of course will be elected by a triumphant majority. Banks is equally hostile to Slavery as Mr. Wilmet, yet the professed "Americans" of Massachusetts support Banks, while sham "Americans" in Pennsylvania refuse to support Wilmot although nominated by a Union Convention, and that nomination was endorsed by the regular American State Council. In view of these facts, who can doubt but the crooked "Straight" leaders are hired by the Packeries to try to divide the opposition, as Packer's only safety?

TERRIBLE CALAMITY--The steamer Canadian was burnt near Quebec, Canada, on Saturday last, the 27th ult. 200 passengers were either drowned or burned to death.

State of the Thermometer at Lewisburg, June, 1857.

More rain has fallen during the last few months than fell during the eight months next preceding.

New Base in Mineral Point--We understand that Benjamin Brown, Esq., formerly editor of the Madison Argus & Democrat, is the man who is about to establish a Bank in this city, and that the institution will go into operation about the 1st of July--Mineral Pt. Tribune.

Well, Boriah, who could have supposed, in those days when we used to "jig" over B & B's (not Buck & Breck's) imposing store at Utica, to decide who should stand the "ginger"--I say, who would have supposed you would have come down from a lofty apprenticeship to a banking shop in a back-goods place then unknown? But, "so wags the world." We condescend with you in your sad reverse of fortune. Bear up manfully, and you may be editor again.

Messrs. Paschal & Keily have been delivering their MAP OF UNION COUNTY, giving the Township and Borough lines, the course of roads and streams, the names and residences of nearly every farmer, shops and mills, outlines of the Lewisburg, New Columbia, Millburg, New Berlin and Hartleton town lots, the Court House, University at Lewisburg, Union Seminary, Lewisburg Boat Yard, Union Furnace, &c. They have "taken their time" for the work, and although errors have crept in it is a creditable and valuable production.

The Chairman of the Committee of Arrangements invites all who can assist in putting up seats in the Grove for the 4th, to assemble at Jos. M'Faddin's Store at 1 o'clock this (Friday) afternoon.

In 1850 he was Chairman of the Committee of the House of Representatives that reported the Fugitive Slave Bill, and he was one of the three members from this State who voted for that infamous enactment.

The magnificent residence of B. C. Bachman, late President of the Lancaster Bank, was sold at Sheriff's sale. The mansion was built three years ago at a cost of about \$30,000--so that about \$17,000 of somebody's money has been sacrificed by the sale.

Last week upon the resignation of Wm. Cameron, Esq., of Lewisburg, President of the Bank of Northumberland, John B. Packer, Esq., of Sunbury, was elected President.

Simon Schuyler, of Muncy, was chosen a Director in place of P. W. Pollock, of Milton, resigned.

On Wednesday of last week, a passenger train going south was run into by a coal train just above Northumberland. No great damage was done, as the passenger train was going slow. The coal train was in fault.

The Philadelphia mail via Cattawissa comes on a little earlier after Wednesday next.

A Hickite Quaker made a bequest of \$60,000 to a collegiate institution in Bucks county. But having been made only thirty days before his death, the Supreme Court have declared the bequest to be void, and the money goes to the heirs.

John Johnson, of Cincinnati, last week remitted his fifty-fifth year's subscription to the National Intelligencer. The old gentleman is a model subscriber.

The Bank of South Royalton, Vt., has failed. Also the Seneca County Bank, Tiffin, Ohio.

Answers to Arithmetical Problems in Chronicle of 26th ult.

The oldest son received \$569.50 for his share. "2d" " \$194.12 " "3d or youngest" " \$436.37 "

Answered also by H. K. K.--Burr's Buffs. (Fractions omitted.) Each son's share on becoming 21 years of age was \$621.20.

Answers to Charade in same paper--Hemlock. Answered by R. F. B. and by H. K. K.

Answer to Questions for Amusement. The apples were sold 7 for a cent; the oldest had 40; by giving 7 apples for a cent he received 5 cents, and had 5 apples remaining, which he sold for 5 cents; he then had 5 cents, plus 5 cents--the sum that the oldest son brought home. The second son had 30 apples; by giving 7 apples for a cent, he received 4 cents, and had 23 apples remaining, which he sold for 6 cents; he then had the sum which the second brought home. The third son had 20 apples; by giving 7 apples for a cent he received 2 cents, and had 6 apples remaining, which he sold for 8 cents; he then had 2 cents, plus 8 cents, which are 10 cents--the sum that the third son brought home. Therefore, the apples were sold at the rate of 7 for a cent. Each son received 10 cents for his apples.
