WORDEN & CORNELIUS.

Lewisburg, Pa.

FRIDAY MORNING, NOV. 13, 1857.

ADVERTISE!—Manufacturers, Merchants, Mechanics all who wish to buy or sell—would do well to resolve the columns of the *Lewisburg Chronicle*, which has a large and increasing circulation in a community containing a large proportion of active, solvent producers, consumers and dealers, as any in the State.

☞ **See New Advertisements.**

☞Philadelphia Letter, next week.

☞Thanks to LEVI HAUCK for another club of ten subscribers at Buff. X Roads.

☞If you wish to sing away hard times, subscribe for the Musical Pioneer, edited by I. B. Woodbury, and published by F. J. Huntingdon, 356 Broadway, N. Y., at 50 cts. a year, and is well worth the money.

☞Col. ECK coaxes the *Miltonian* to say that his *Democrat* is not "dead," as reported and generally believed. Well, it has taken a monstrous long nap! and the best proof of its being alive will be for it to speak for itself.

☞"Co-partnership" is reminded that we require real names before publishing communications. He says,

"De teamsters dat don't want a six cum sevun,
Mustn't go to a frolic to kiss a old louse."

We give the general admonition, gratis.

☞Mr. Kurtz of Aaronsburg exhibits at Weidensaul's Hotel, in this Borough, a specimen of *Young America Corn Sheller*—a machine, worthy of notice, invented by Mr. Smith, of Dauphin county. Mr Kurtz desires to dispose of rights for Union and Snyder counties.

Teachers' Institute.

On Monday next, Nov. 16, Prof. JOHN F. STODDARD, author of a popular course of Mathematics, will conduct a Teachers' Institute, at the *Freeburg Academy*, to hold one week. He is well qualified for that important work.

NEW ARRANGEMENT.—The P.M. General has given Maj. John Cummings of Selinsgrove, contract for service on route No. 3,243, from Sunbury, Lewisburg, &c. to Williamsport, in cars, daily. By the arrangements, it is stated, mails will be but 24 hours passing between Washington and Williamsport.

A GOOD CROP.—John Smith [recently of New Berlin, Union Co. Pa.] formerly one of the proprietors of this paper, informs us that he raised, from 32 acres of new ground, 940 bushels of first rate wheat—nearly equal to 30 bushels per acre. His farm, but little over a year ago, was a wild prairie. Besides his wheat, he has a good crop of corn, oats and potatoes. We trust he has found farming more profitable than publishing a newspaper.—*Toulon (Stark Co. Ill.) Advocate.*

Lewisburg Bank.

Last Market day (Wednesday) Lewisburg Bank first issued a few thousand dollars of their own paper. It is of a pale reddish color on the face, neatly and yet elegantly engraved by Bald, Cousland & Co. of Philad. & N.Y.

The $10s have for the vignette a home scene—blacksmith, mower, girl with rake and child with fruit or flowers—**10** upon each upper corner—a portrait of John P. Anderson of the Juniata on the right lower corner, and of U. S. Senator Cameron on the left.

The $5s have two dishabille female figures in the front of vignette, surrounded by agricultural and mechanical implements, with a large building, cattle, prow of a vessel and mountain scenery in the background—**5** on each upper corner—a likeness of Col. Slifer on the right hand lower corner, and of Wm. Cameron, Esq., on the left.

The following are the Officers, &c., of the Bank:

WILLIAM CAMERON, President; F. W. FOLLOCK, Cashier; DAVID REBER, Teller; J. BROWN M'LAUGHLIN, Clerk; GEORGE SCHOCH, Messenger.
Discount days—WEDNESDAYS.

☞Lewisburg bank notes always wanted at the *Chronicle* office.

MODEST—the Philadelphia Banks, (as they were the first to suspend,) in asking the country Banks to furnish them with funds to redeem the latter's notes!

☞Very 'modest,' truly; and we are happy to announce that the Lewisburg, Northumberland, Danville, Williamsport, Jersey Shore and Lock Haven Banks are too wise to accept the *liberal* offer! We trust the Country Members will this session *repeal* the unjust and tyrannical Law by which Country Banks were constantly taxed by City Banks in keeping the paper of the former at par in Philadelphia. The country banks have proved and are proving themselves the soundest, and it is useless and unjust to fleece them to enrich the city sharpers who were the very first to suspend.

Going Ahead.—The "hard times" have had comparatively little effect on the prosperity of Lewisburg. In addition to the public and private improvements heretofore noticed in the CHRONICLE, the *Argus* mentions several which we think we have not heretofore described, viz:

Byers Ammons has erected a double two storey brick house on South Fourth Street.

James Criswell, has rebuilt a fine three storey brick on Market street, adjoining his home on the west.

James S. Marsh has remodeled the large two storey brick on South First Street.

Wm. Brown, Jr., and Maus & Bro. have erected a large double three storey brick on Market street, nearly opposite Frick & Lilly's foundry.

George W. Hafer has erected a two storey brick, nearly opposite the new University Female Institute.

George J. Roland has erected a two storey brick, west of the Institute.

Karl Volkmar, has erected a large two storey frame, north of the Institute.

John Brown has erected a two storey frame in place of the old log house, near his Mills.

Mrs. Denormandie has erected a storeroom adjoining her present residence on Market St., in "Nauvoo," where she will shortly be ready to sell goods, to the people of that end of town.

The M. E. Chapel has been enclosed by a neat wooden fence, and the beautiful massive iron railing for the Court House yard is partly in its place.

—There may be yet others worthy of notice, which we have overlooked.

[Reported for the Chronicle.]

Buffalo Township Teachers' Institute

"Atlantic Monthly."

A first-class new magazine in these days indicates Publishers of nerve and capital. No. 1, Vol. I., of this applicant for public patronage, we are free to say, carries thro' its pages attractions for those who are fond of solid and instructive literature. It numbers amongst its contributors some of the most vigorous minds of the age—men of whom America has good reason to be proud. Prescott, the Historian; Emerson, the Philosopher; Bryant, Longfellow, and Holmes, America's poetical triumvirate; and Hawthorne, Curtis, and Motley, the brilliant authors—are a few of "the solid men" whose ripe intellects will do good service in this great literary enterprise. It belongs to no political party, but is the exponent of the true American idea. It ranks itself with that body of men who are in favor of freedom, progress, and honor. It is published by Phillips, Sampson & Co., No. 13, Winter St., Boston, at $3 per year, and is for sale in the cities and principal villages by booksellers, newsmen and periodical dealers at 25 cts. a number.

The Philad. Republican *Times* has been merged in the *Sun*; which is conducted with more spirit and ability than any other daily in the commercial metropolis of the State. All American Republicans who want a paper from Philadelphia, we advise to send for the *Sun*. The light it sheds is clear and vivifying. Try it.

The Commissioner of Patents has tendered to Robert Fortune, of England, the agency for the introduction and cultivation of the tea plant, and other productions of China, in this country. The selection of this gentleman is owing to his experience in such matters.

CAUTION TO CITY FATHERS.—By the neglect of the city authorities of Concord, N. H., to remedy a defect in a sidewalk in that city, which would have cost only one dollar, the city has been mulcted in nearly *four thousand dollars* for casualties caused thereby.

SHORT CREDITS.—The merchants of Wilmington, Del., like many others, are about to adopt measures for cash payments or short credits. The reform is progressing rapidly, if it is not forgotten as soon as "good times" come again.

☞Rheumatisms of the most severe kind have been cured by using two bottles of DU VALL'S GALVANIC OIL. Back ache, pain in the head, sick head-ache, nervous diseases of the head, are every day being cured sound by the use of Du Vall's Galvanic Oil.

☞Among the many preparations now in use for restoring, preserving, and beautifying the hair, there are none that we can recommend with more confidence than Prof. Wood's Hair Restorative, now in general use throughout the United States. This preparation possesses the most invigorating qualities, and never fails in producing the most happy results when applied according to directions. We refer to the advertisement for a few of the innumerable certificates which have been sent by parties who have been benefitted by it, and who feel happy in giving testimony to its wonderful effects produced in them.—*Cincinnati Sun, Nov. 1st, 1854.*

HOLLOWAY'S PILLS AS A REMEDY FOR DYSPEPSIA.—No one who has seen the effect of Holloway's Pills in cases of dyspepsia, can believe for a moment that this depressing and dangerous disease is incurable. The patient who has suffered from it for years, whose strength, appetite, and cheerfulness, seem utterly gone; to whom life is a burthen, and who has long ceased to hope for relief, may be radically cured by a course of this powerful stomachic and bold spirited. Hundreds of instances of this kind are on record.

THERE IS NO SUCH WORD AS FAIL.—Read the advertisement in another column, headed "Helmbold's Genuine Preparations."

☞There is nothing in the whole list of medicine exciting such a stir among invalids as *Dr. Sanford's Invigorating Liver remedy.* It gives such quick relief as to convince the patient of receiving benefit almost as soon as the medicine is taken. We do not know of a single instance where it has been taken without benefit, and in nearly all cases a complete cure is effected by its use. It has acquired its wide popularity simply because it does what it is recommended to do. It is constantly enlarging its circle of friends, carrying healing on its wings, and joy to the hearts of those suffering from Liver Complaint, Jaundice, Dyspepsia, or general debility.
