AGENTS GLTTING RICH !

mined to commence the new volume in January with still additional attractions, and to offer such inducements

to subscribers as cannot fail to place it, in circulation, a

the head of American magazines. With this view they now announce the following splendid programme. They have purchased that superb and costly steel-plate engra-

"THE LAST SUPPER,"

and will present a copy of it to every three-dollar sub-scriber for the year 1858. It was engraved at a cost of \$5,000, by the late celebrated A. L. Dick, from the origi-

nal of Raphael Morghen, after Leonardo Da Vinci, and is the largest steel-plate engraving ever executed in this

country, being three times the size of the ordinary three

country, being three times the size of the ordinary three dollar engravings. The first impressions of this engraving are held at \$10, and it was the intention of the artist that none of the engravings should ever be offered for a less sum than \$5, being richly worth that amount. Thus every three-dol-lar subscriber will receive the Magazineous year--thesp at \$3-and this splendid engraving richly worth \$5 thus getting for \$3 the value of \$3.

We shall commence striking of the engravings imm diately, yet it can hardly be expected that impression

district, yet it can intrivy by expected into improvements of so large a plate can be taken as fast as they will be called for by subscribers. We shall, therefore, furnish them in the order in which subscriptions are received. These who derive to obtain their engravings early, and from the first impressions, should send in their subscrip-
