Lewisburg, Pa.

FRIDAY MORNING, APRIL 23, 1858

ADVERTISERS.—Manufacturers, Merchants, Mechanics Professional men in City and Country, Publishers all who wish to use a small—would do well to employ the advertising columns of the Lewisburg Chronicle, which has a large extension of the Lewisburg Chronicle, which has a large circulation in a community containing a vast increasing circulation in a community containing a vast increasing population of active, solvent producers, consumers and dealers as any in the State.

☞ See New Advertisements.

Up the River.—The CHRONICLE is now regularly mailed for the upper end of Union and Northumberland, and for Lycoming and Clinton counties, on THURSDAY AFTERNOONS. If any of our patrons that way do not get this paper in the time they should, they must attend to their own Postmasters and the Railroad Mail agents—we do our duty and get the up-river packs in the Lewisburg office in time for Thursday's P.M. mail train. ☞

☞ The several Departments of the University at Lewisburg commenced their Summer Sessions, yesterday.

—The Lewisburg Academy will re open on Monday next.

☞ Next week, will offer a good chance for all within the county to send or bring subscriptions for the CHRONICLE. Don't forget the Printers, these "tight times." At Club rates, every man can take the paper.

☞ We have been urged for some years past to establish a *Bindery* in connection with our Printing establishment, but have heretofore been unable to get a reliable workman in that line. This week, however, we purchased the Bindery of LYMAN H. WILSON, of Milton, and having engaged the services of Mr. H. E. DOWNING, an experienced and well recommended workman of Philad., expect to be able to execute orders next week. From those in particular who have so long desired this addition to our town business, we ask a living patronage.

☞ Hon. Eli Thayer is announced among the speakers before the Am. Bapt. Home Miss. Soc., at its May anniversary, in Philad. He can have no difficulty in showing the harmony of the efforts to diffuse the blessings of the Gospel, as well as of Liberty, among the border ruffians and the aborigines of our western frontiers. "The sword of the Lord and of Gideon"—of civil law and of religious liberty—are both allied with true Christianity.

☞ The New York Legislature refuse to repeal the Metropolitan Police Bill. A Registry Law to prevent the frauds of illegal voters in the cities, has passed Senate by the united Republican and American vote, but was resisted by all the Democracy, (who would probably lose 25,000 or 30,000 votes by such a law,) and in the Assembly failed of receiving the full vote necessary to perfect it.

☞ The Aaronsburg *Berichter*, has changed hands. Ludwig Kurtz, so long time its proprietor, has sold it to [illegible] year, and his sons, J. G. and Frederick Kurtz, succeed him in the publication of that paper. Our best wishes for the pecuniary success of their enterprise—politically, however, we wish them no such thing.

Shamokin Journal, and Farmers' and Miners Advocate," is the name of a new Independent paper to be published in Shamokintown, Pa., by J. ROBINS, on the Cash principle. Stick to that, neighbor—it may be like teeth pulling at first, but you will find it much the easiest way in the long run.

☞ Wm. A. Barnes, some time a student in the University at Lewisburg—we observe is in Palestine, or the Holy Land, preaching. Under what auspices his roving, energetic steps have reached there, we do not learn.

☞ Robert F. Hayes of Mifflinburg, received the degree of M. D. from the University of Pennsylvania at its last commencement.

☞ We observe a new work in press from the pen of Rev. H. Harbaugh. "Virgin Mary" is the subject.

☞ Thomas G. Orwig succeeds Reuben G. Orwig in the Home Gazette establishment. The new partner holds a ready pen.

☞ The Northumberland Presbytery held its sessions in Lewisburg, Tuesday and Wednesday of this week. Sermons were delivered by Rev. G.W. Thompson of Tuscarora, Rev. Dr. Yeomans of Danville, and Mr. — Parks, who was licensed during the session. A large number—probably 300—of accessions to the churches, was reported. Rev. Mr. Baird of Lock Haven, Rev. D. M. Barber, of Washingtonville, Dr. Andrew Hepburn of Williamsport, and Mr. J. Grier of Jersey Shore, were appointed Commissioners to next General Assembly, at New Orleans. The pastoral relation between Rev. D. M. Barber and the churches at Moresburg and Chillisquaque, was dissolved on account of his ill health. Rev. Mr. Patterson's connection with the church at Washington, was also dissolved. The Presbytery appointed supplies for the Lewisburg church for six months.

Adjourned to meet at Moresburg 11th May, to license three young men for the ministry.

Next regular meeting at Jersey Shore.

☞ *Important!*—Some of our cotemporaries who have been advertising "Gift" swindles for years past, begin to get it "through their wool" that all such illegal and demoralizing schemes are the works of great scamps! Hope they will be wiser and themselves more honest to their patrons, hereafter.

CHICAGO, April 20.—The majority in favor of the proposed five millions of Dollars loan by Minnesota, will probably exceed 20,000 votes.

A NEW WORK.—"The Garden; A New Pocket Manual of Practical Horticulture; or, How to Cultivate Kitchen Vegetables, Fruits, Flowers, and Ornamental Trees and Shrubs. With an Exposition of the Nature and Action of Soils and Manures, the Structure of Plants, and the Laws of Vegetable Life and Growth, etc. By the author of "How to Write," "How to Behave," etc." Fowler and Wells, 308 Broadway, New York. Price in paper, 50 cts; cloth, 50 cents. No one who owns or rents a square rod of ground can afford to be without this best of all garden manuals. It is an eminently popular and practical work.

The enormous "Fat Woman," who was exhibited in Harrisburg some time ago, has recently been married to a St. Louis man by the name of Rogers. The "happy couple" are about even in size, and together are said to weigh over 1100 lbs.

A sensitive Pennsylvanian editor says: "Somebody brought one bottle of sour water into our office, with the request to notice it as lemon beer. If Rean was green enough to sell his birthright for a mess of pottage, it does not prove that we will tell a four shilling lie for five cents."

The Students of Freeburg Academy, have published an expression of their regret upon the death of J. B. FASSOLD, one of their number, who died at his father's house, near Sunbury.

The American states that the Montour Iron Company pays $5,000 a year for county, State, and borough taxes.

Rev. Dudley A. Tyng, the noble Episcopalian Minister who was driven from a Philad. church for condemning Slavery, and who has shown so much evangelism in the revivals in Philad, is dead. He was injured by an accidental wound received from a thrashing machine, and dies in the morning of life, much lamented.

The appointment of a new Post Master at Pottsville is causing a good deal of trouble among the faithful. Michael Cochran was fixed upon as the man, and was induced to attend the Lecompton Convention at Harrisburg and vote Lecompton, notwithstanding the aversion of himself and his friends to that measure; but Maj. Dewart's vote on Lecompton, in Congress, was much more important, and the Major had another appointed to suit himself.

The Editor of the Danville *American* has taken to gardening, and brags in advance of what tremendous harvests he is to have. All right—in these hard times every editor should be able to "raise his own *sass*," for he don't know what *turn-ups* may happen.

An Old School Presbyterian church it is proposed to organize in Harrisburg.

[illegible] outlines in the river between Sunbury and Selinsgrove one night of last week.

The drug store of E. P. Lutz, Bloomsburg, was broken open and robbed of some fifteen or twenty dollars on Tuesday night, 13th inst.

Two men were arrested last Saturday by Deputy Sheriff Piatt, at Linden, Lycoming Co. They had been at Williamsport, where they had passed some of their money, and were followed and arrested. A large amount of counterfeit money was found in their possession, principally upon the Southwark Bank of Philadelphia. They were committed to jail.

Catharine M'Carty, a widow, whose husband was killed nineteen years ago by the fall of a tree, in Susquehanna Co., Pa., leaving her with five orphan children, is in search of a son, John M'Carty, who has been lost to her for sixteen years. When ten years old an elder brother, now in California, put John out to service with a widow woman in Philadelphia, from which place he soon ran away and has not been heard of since. A third son is with Benjamin Hammel, in Columbia Co. A fourth died, and Mrs. M'Carty now resides with a daughter, wife of Benjamin Otis, near Fairdale P. O., Susquehanna Co. Aged, and a cripple, the mother's heart yearns for tidings of her lost boy, and any assistance our brethren of the Press throughout the country, who see this notice, can render in the search will be repaid by her prayers and blessings.

Latest news from Oregon says that Lieut. Allen, who was reported to have perished in the snow, had arrived at Portland, having been abandoned by all his party, except one man.

Fernando Wood was badly beaten at the Tammany election in New York, and his thieving, forging Street Commissioner, Charles Devlin, is footed out of office by Mayor Tiemann. New York is certainly reforming—thanks to the Revival.

J. W. Gray, editor of the Cleveland *Plaindealer*, lost the sight of one eye on Friday last from the explosion of a percussion cap which his little son was firing from a toy gun.

The New York *Herald* praises President Buchanan and Louis Napoleon almost in the same breath, and is, indeed, the special organ of the two great dictators of the day.

"Bad luck is simply a man with his hands in his breeches pockets, and a pipe in his mouth, looking on to see how it will come out. *Good luck* is a man of pluck to meet difficulties, his sleeves rolled up, and working to make it come out right. He rarely fails."

LATEST DEMOCRATIC IDEA.—Senator Hammond says that all who earn their daily bread by labor are Slaves, whether white or black. The next National Democratic Convention meets at Charleston, in Mr. Hammond's State, and we may then expect to see several Southern planks added to the Platform of the Party.

THE PUZZLER.

"Oh! 'tis a deep mystery,
But by St. Paul I'll find the bottom of it."

☞ The Charade in our last has been variously answered—Cent, Dime and Dollar. The author's answer was *Half-Penny*.

PENNSYLVANIAN KILLED IN KANSAS.—By a paragraph in the Lecompton (Kansas) National Democrat, we learn est citizens, and former postmaster, of that place, and Clerk of the Supreme Court of the territory, was killed there on Saturday, the 3d inst., by W. E. Thompson. An affray occurred between them, which ended in Thompson stabbing Rodrigue with a pocket knife in the side, the blade penetrating the left lung and causing a mortal wound, from which he expired on the following Wednesday. The deceased was a grandson of Hugh Bellas, Esq., of Sunbury.

Rev. Phillip F. Mayer, D. D., pastor of the Evangelical Lutheran Church, died Friday morning at his residence, 1020 Race street, at the advanced age of seventy seven years. Dr. Mayer was probably the oldest clergymen in Philadelphia, engaged in active ministerial duties. He was widely known, and universally esteemed. He has been over fifty years in the ministry, having preached his fiftieth anniversary sermon some time ago.

The (English) Cunard Steamships, it is said, have never yet realized to the company a cent of dividend. Five per cent. interest has been paid, but the surplus profit is all locked up in the screw steamers Alps and Andes, now lying in Liverpool utterly unsaleable. The (American) Collins line is sold by the Sheriff—a total loss to the stockholders.

The Atlantic Telegraph Cable was being taken on board the Niagara and Agamemnon very rapidly, and it was expected that the work will be finished about the 10th of May. Some deep sea experiments will be made before the final attempt.

INDIANAPOLIS, April 20.—Judge Stevens, one of the oldest inhabitants of this city, died suddenly last evening. He was a brother of the Hon. Thaddeus Stevens, of Pennsylvania.

Carl Formes, the opera singer, was recently thrown from a carriage, near Salem, Mass., and received so severe an injury on the knee, that his leg will probably require amputation.

It is true that the President, within three weeks, wrote a most urgent letter to Gov. Wise, imploring him to come to the relief of a sinking Administrator.

A fine looking mulatto woman, dressed in gay style, appeared before the probate court at Cincinnati, a few days since, accompanied by a southern gentlemen, who acknowledged himself the father of a child of which the mulatto was the mother. Judge Hilton signed the paper, giving her and her issue their freedom.

A jury at Taunton, Mass., the other day being unable to agree in a certain case where a man was accused of stealing $2,50 worth of nails, reported that they were willing to pay for the nails and let the prisoner go.

A young man was ridden on a rail and driven out of the neighborhood of Madison, N. Y., by the citizens, for having basely deserted an orphan girl, whom he had married for her money.

Rev. H. HARBAUGH will preach English in the German Reformed church of this place next Sabbath morning and evening.

☞ The new house of worship of the United Brethren, at New Berlin, will be dedicated on Sunday, 16th of May. Bishop Glossbrenner and others are engaged as preachers.

☞ It is a most undoubted fact that Dr. Sanford's Liver Invigorator, or liver remedy, is one of the greatest discoveries made in medicine the past century. It has been a study of the Dr. during twenty years' practice, to find out that primary organ, which, if deranged, caused the greatest number of ills to our species, and his conclusion is, that the liver is the greatest regulator of the system, and the most liable to disease; which if kept free from disease, is a preventative of Dyspepsia, Jaundice, general debility, &c., while, last but far from least, we mention consumption; for our experience is that more than one-fifth of cases occur from diseased liver than from all other causes put together.

Taking the to be correct hypothesis, we have but to find a remedy with which to correct the liver, and we have a cure of nearly all the diseases we are subject to by simply using a preventative. That the Invigorator is such a remedy, is beyond doubt, and all we try it for its virtues are such that for all complaints arising from liver derangements, it is an unfailing remedy, while as a family medicine, for all diseases of the stomach or bowels, it is unsurpassed.

Sold by all good Druggists.

THE FARM---

A Good Suggestion to Farmers.

FRIEND COBB: As I heard no little complaint about cows shrinking their milk when the feed began to get dry, last season, I thought it might not be out of place to tell my brother farmers a bit of my experimenting in growing corn fodder.

I took half an acre of sward ground, mowed it down and prepared it in the same way we prepare ground for a crop of corn. I then marked it in drills thirty inches apart and sowed fifteen or twenty grains of corn to the foot, along those drills. It came up finely. I ran the plow twice to the row and dressed it a little with the hoe to keep the weeds and grass under. In this way I got a very heavy crop of fodder.

Now for the result of my experiment: I had eleven cows. They began to shrink their milk in the last days of July, so that my cheese fell off about *six* lbs. in weight per day. I then began to cut and feed the seven cows two good armfuls of the green corn fodder once a day. In a very few [illegible]

"They tell of the fragrance of lavish Ireland
By the breeze in each fruitful clime,
Let the glasses toast of each high favored isle,
The flavor of wine or French brandy,
Yet none of the list named above can compare
With Mrs. DENORMANDIE'S Candy.

Rich spices, and fruits, and sweet flowers may be got,
Or dishes for epicurean palates;
But the question in this I will not debate,
You each have a balance in plenty.
Without there is none of them half so much prized,
For in the sweet prattling child to the family,
As the sweetest of sweets, story where it's called—
I mean Mrs. DENORMANDIE'S Candy.

Mrs. Denormandie takes pleasure in informing her numerous friends that she has recently refitted her parlors, and is now prepared to furnish ICE CREAM, CAKE and CONFECTIONERIES to such as may favor her with their custom.
