107 Nassau St."

The above work has been compiled since our shores for his field of labor in Burmah, and is not as full and accurate as longer time would have enabled the author to make it. It is, however, a thrilling and inciting narrative of the efforts of one of the boldest and most untiring Missionaries of our age-grouping together events known to many, but here presented in a new and more striking form; and informing thousands of dangers and sacrifices unknown to them before. The work comprises 312 pages, and is embellished with a pertrait and two illustrations. George M'NAIR, of the University, is Agent for Union and Northumberland counties, and will furnish the work to all who may order

(The following news reveals most chee-Ber Foreign news announce the contin- ring promise of the opening to Christian ned success of the British arms in Hindo-stan, and great lesses to the native insur-so long labored. The Emperor of Burmah is a personal friend of Mr.K., who conveyed an official communication from him to yet, but it seems to be in a fair way for Pres. Buchanan, and bears with him a reply.—Next week, by way or contract this state of things, we may copy a sketch of the perils endured by Mr. K. during the following the perils endured by Mr. K. during the fine to the following the fine to the following the following the following the following the first things and results are organis. Results advertisement, "Islandoid's Genuite fine to the following the first things are the first things and results are organis.

Interesting from Burmah. Interesting intelligence has been recent-

ly received at the rooms of the Baptist Missionary Union in this city, from their various stations in India, of which we give the following synopsis:

Dr. Dawson writes, Dec. 21, that the King of Burmah is reported to have pen Near the West Branch we never withdrawn his confidence from a host of raw Wheat look better in May then it Buddhist priests at Ava, who have hithdoes now. On the lands further back, it erto crowded the royal city, having banis not in all cases so uniformly good - ished hundreds of them from the monas-From other States, we have the most teries in the neighborhood of Amerapura, electing reports of the present prospect of who have accordingly emigrated down into the Territory of Pegu. This measure has been carried out not by any direct persecution on the part of the King or his Government, but simply by his withdrawing the royal favor, through which they were enabled to subsist and to maintain their popularity among the people.

The enemies of the King assert that he has embraced Christianity. Others report that, being a strict Buddhist, he has pay-Last Saturday, while the workmen undertaken only to purge the priesthood were engaged in starting a circular saw, of an immense number of unworthy memin the new saw mill of Smith, Baum & bers, for the honor of the Institution.
