Union County Convention.

The citizens of Union county opposed to the leading measures of the National Administration, are invited to hold a Delegates Convention on Saturday, Aug. 28, 1858, at the usual place of voting in each township...

It is to be hoped that the polls will be opened and closed punctually at the hours appointed, and that everything may be conducted properly and satisfactorily...

DAVID HENNING, Chairman of Committee.

Kansas Speaks Again!

The last evening scheme to entrap the intelligent freemen of Kansas by the jugglery of the cowardly English Bill, has failed! All the coaxings and threatenings—all the misdirections and false promises—all the artifices and promises—a unscrupulous Administration and its paid tools could invent and they were tried, but tried in vain.

Really! The Democracy of Union County admit that Wm F. Packard is a man! Not a Governor—they endorse his ability and experience, but not his integrity nor his Administration! Does Mr. Frick dream that the Union Wm F. Packard or the Erie Railroad company would permit his nomination (much less his election) with such a flimsy record as that...

Table with 3 columns: For Freedom, For Slavery, and a third column with names and numbers. Includes names like Leavenworth, Lawrence, Topeka, etc.

23 smaller Counties to hear from. Look at the votes of Shawnee, Kickapoo, and Oxford, where a short time since the Rufins cast thousands of fraudulent votes—which were all counted, returned, and upheld, by Pierce, Buchanan, and their party generally...

This again have the true settlers of Kansas asked admission as a Free State into the Union. The Republicans will aid her in this struggle till her just rights be accorded her.

The Election in Missouri resulted in favor of the Pro-Slavery Democracy—two of their Congressmen having less than 600 majority. Blair is defeated in St. Louis by a fraudulent vote, and it is said will contest the election.

At the Congressional Election in North Carolina, to fill a vacancy, the Opposition elected their candidate, in place of Clingman, (Dem.)

LIVINGSTON COUNTY.—On Tuesday of this week the Opposition made the following nominations:

Congress—James T. Hale, Bellefonte. Senate—Henry Johnson, Manay. Assembly—James McElaffy, Newberry. Commissioner—Thomas Lloyd, Manay.

The Opposition have certainly taken up the strongest men and made out the best ticket.

The Next General Election.

FELLOW CITIZENS—I would respectfully announce to you that I intend being a candidate for the office of Sheriff of Union County, in the election of the County Convention. Having suffered great loss by fire in 1848, yet unwilling to burden my friends by receiving pecuniary aid, I have struggled with the world in order to provide for the necessities of myself and family, but meeting with many reverses I am at last driven to the painful task of asking your assistance—yet in such a way that it will cost you no money, and if timely bestowed upon me a lasting benefit, for which I shall ever be grateful. Yours truly, CHAS. STILES. Millburg, Aug. 14, 1858.

Messrs. Editors—Propose the name of James D. Fox for Millburg, for Assessor for the County of Union, in the election of the County Convention. He is a good man and true, and it is hardly fair that New Berlin and Lewisburg should have all the offices. ONE IN THE COUNTRY. August 14, 1858.

Messrs. Editors—It is approaching that time when it is necessary to propose a candidate for the Legislature. I would therefore recommend the re-nomination of THOMAS HAYES, Esq. He is a gentleman of excellent character, and at the last session discharged his duties with credit to himself and his constituents. BUFFALO, August 14, 1858.

I submit my claims for SHERIFF in the election of the 20th August Convention, and will be thankful to my friends and the public for their support. ENOS SPAHL. Buffalo Tp. Aug. 14, 1858.

Permit me to propose a candidate before the Union Convention of the 20th August, to wit: HERIBACH of Buffalo township, near the Shamokin River. Mr. Heribach is a good Surveyor of several years' experience, whose health does not admit of severer labor, and is a man of good character and integrity. O. P. Q.

IF you are consulting with him, we would propose JAMES BROWN, of Kelly township, for County Commissioner. As a honest man, good mechanic, and always right. The man without wealth is as much and better entitled to office than the man with, and the mechanic should be honored as well as the farmer and the professional man. ONE TERM.
