Lewisburg, Pa.

FRIDAY MORNING, AUG. 20, 1858.

ADVERTISE.—Manufacturers, Merchants, Mechanics and Professional Men in Town and Country, Publishers, Booksellers and Editors throughout the country, which has a large circulation in all sections of the Union, and is read by a large and increasing number of intelligent persons, who wish to purchase the productions of the soil, or the products of the labor of the country.

☞ **See New Advertisements.**

☞ Several Advertisements crowded out this week.

☞ We are advised that a Coroner is to be chosen at our next election.

☞ Next Monday commences the Adjourned Court for Snyder county, and on TUESDAY, at 1, P. M., the Opposition will hold a County Meeting at the Court House.

☞ Judge HALE and Ar. WILSON it is now conceded will be the opposing candidates for Congress in the Mifflin, Centre, Clinton, Potter, Lycoming, and Sullivan District. With a fair contest, Hale will come out ahead.

☞ We would suggest, that if any of the persons who are named for nomination in our columns, do not design to go before the Convention, their names be withdrawn from our next paper, so that all may know who are really in the field, and cast their vote intelligently.

☞ Our exchanges are filled with notices of demonstrations of joy in many of the principal cities and towns, on account of the messages passing between Great Britain and the United States, on the submarine telegraph wire.

Tuesday afternoon the bells of Lewisburg gave an hour's merry peal in honor of the event, and we heard cannon (we supposed from Milton) in the evening.

Some have proposed that a public gathering be held in Independent Hall, this evening to commemorate the event. We are not authorized to call a meeting, but a written notice from the Burgess, put up by noon, would give ample time.

The person who decamped with a span of horses and carriage belonging to H. C. Christman, of Danville, was apprehended at Easton, Pa., where he was overhauled by Mr. Christman. The team was recovered and the prisoner sent towards Danville in charge of Mr. I. S. Thornton, but on ascending one of the plains near Tamaqua the rascal leaped from the cars and soon disappeared in the thickets of that wild district, and has thus far escaped. One of the horses had been foundered and they have not yet arrived in town.

Margaretta Fox, one of the original "spirit rappers" or "toe crackers," has joined the Roman Catholic church.—So, it is stated, has Mr. Bright, the Lees slave-holding U. S. Senator from Indiana, elected and sustained by frauds and trickery.

FATAL DRINKING MATCH.—The Lancaster *Daily Times* says that Mr. Isaac Bear, of Warwick township, in that county, and one Garber, drank seven gallons of whiskey in thirteen days, when Bear died of *mania a potu*, leaving Garber master of the field.

Thomas Lloyd, formerly of Danville, was accidentally shot in Canada a short time ago. He was on a shooting excursion and was killed by a premature discharge of the gun in his own hands.

The Montour Trial List has suddenly run up to 50 cases, including 20 of David Levi vs. many, 4 of I. S. Waterman vs. several, 5 Kase's vs. others, and 1 others vs. Kase.

The Yellow Fever is very fatal in New Orleans this summer, and 306 died of it in one week. Some cases have occurred in New York and Philadelphia.

The Opposition in Clinton county recommend Petriken for Congress, and approve in the main the course of D. K. Jackman in the Legislature.

The Selinsgrove (Lokey) Times has at its editorial head the old Whig emblem showing the road from the Log Cabin to the White House.

A child of Hannah Brown's which was left in the house while its mother went to the colored celebration, was badly bitten by rats.—*Lewistown Gazette.*

Wm. Gratt, at Wareham, Va., has been sentenced to six months imprisonment at hard labor for kissing a young woman against her will.

The Opposition Conferees of Clinton county are instructed in favor of B. Rush Petriken for Congress.

In Northumberland county court, the bill of Robenold of White Deer vs. Goodlander of Milton, was ignored.

The Sunbury papers complain of a great increase of criminal business in that county at the last Court.

Some miners recently attempted to dispossess Col. Fremont, by threats and force, of some of his property. He, however, stood to his legal rights, and the Sheriff and Gov. Weller came to the spot, disarmed the rioters and restored peace. Fremont's bearing was most firm, but mild and determined.

Tom Corwin, the Wagon Boy of Ohio, formerly Whig Governor and Member of the U. S. Cabinet, is nominated for Congress by the Republicans of the 7th district, and has taken the stump. It means something when such veterans re enter the ranks.

Foreign news render certain the suppression of the Mutiny against the British rule in India, they being victorious in every battle.

The Fraser River Gold Mines are now denounced as a cruel delusion, and thousands who rushed there are paying enormous prices for the coarsest food, or—starving.

Queen's Despatch Entire.

TRINITY BAY, Aug. 17.—The Queen's Despatch was not completed till 5 o'clock this morning. It was commenced yesterday, but during its reception the operator at Valencia desisted sending it in order to make slight repairs to the cable. Through a mistake, the part received was sent South to the President, as if it constituted the whole message. The following is the Queen's Despatch to the President:

VALENCIA, VIA TRINITY BAY.

To the Honorable the President of the United States:

"Her Majesty desires to congratulate the President upon the successful completion of that great international work, in which the Queen has taken the deepest interest.

"The Queen is convinced that the President will join with her in fervently hoping that the electric cable which now connects Great Britain and the United States, will prove an additional link between the nations whose friendship is founded upon their common interest and reciprocal esteem.

"The Queen has much pleasure in thus communicating with the President and renewing to him her wishes for the prosperity of the United States."

The President's reply to the Queen is detained at the telegraph office here, awaiting his instructions whether it is to be considered in full under the circumstances. The operators are awaiting the President's answer.

WASHINGTON, Aug. 17.—The President has authorized the operators at Trinity Bay to send his reply to Queen Victoria's despatch precisely as it was written yesterday, without changing the date.

☞ A HARVEST HOME DINNER will be served up by Col Hetzel at the Riviere House in Lewisburg at 3 P.M. of to-morrow. Gov Pollock will attend, and many other of our citizens.

☞ As is a most undoubted fact that Dr SANFORD'S INVIGORATOR, or LIVER REGULATOR, is one of the greatest discoveries ever made for the past century. It has been in use for the last seven years, during twenty years' practice, in all parts of the country, when discovered, caused the most wonderful cures, when all other remedies failed, and the most unbelievers in its virtues and his associates in the city of New York, have had, not far from hourly, we may say, occasion to recommend it, which it kept free from counterfeiting; for our experience is that none can successfully counterfeit even its wrapper, much less the medicine. Yours, &c. [1871ly
