FROM KANSAS-The late election in Kausus resulted in a complete triumph of the Free State party. Scarcely any Democrats were elected to the Legislature. We find in the St. Louis papers an address voted against the Pro Slavery and Free of Gov. Denver on retiring from office. Trade party, who never did before. This of peace in the territory depends more on parts of the State. Let them continue so the people than on the Governor; that they have an abundance of local civil officors, elected by themselves, without dissurbances or interference; that they have just accomplished the peaceable election of a Legislature, and it makes no material for a State organization.

Gov. Denver has also written a savage Buchanan has always meant to do, and has York and Illinois. always done, right in Kansas-that the falschoods exposed in a masterly and scoring H. Notwithstanding his denial, the public believe the Gov. was politely juvited to resign, and that this letter was writ ten to aid Denver in getting another office from Buchanan! Let us wait and see what is his reward for his glaring falsehood, and lawyer-like misrepresentations.

The candidates run against Wilmot and Grow, in the Wilmot district, were both old-line Whigs, who never professed to be "Democrats," and who despise the name. Yet Buchanan, Bigler, and all the Loco Lecompton leaders advised it, and every eld-line Democrat in the three counties had to swallow "Federal Bank Anti-Masonic British Whigs" as their caudidates !
