Lewisburg Chronicle.

C. N. WOLDEN & J. R. CORNELIUS.

Freedom, national: Slavery, sectional!

Late Foreign News, notices further the " Dem seracy of Illinois" do about it? gots on Douglas he leaves me out of sight."

Congress will meet a week from next Monday. Those who wish to receive can be relied upon as strictly accurate.

"The Ranner District."-The Lecos are boasting of their Banner Congressional District in the Exprian end of Illinois. On our first page will be found the figures showing that their claim is correct, and proving that their majority is founded upon the IGNORANCE of the public. Truly your "Banner" is no credit to your cause.

We observe the Slavescraey, and some of their Northern jackals, are bowling, and like Rachel " refusing to be comforted," on account of one of SEWARD's specebes in New York before the late election. The sore point was Slavery, and judging from the number it has killed and wounded, we judge it was a powerful gun, well charged, and correctly aimed. Shall try to get hold of it, read it, and report for Governor, who is defeated. its contents.

efficers, our Argus neighbor is comforted. They have seven good wagons, the by the assurance that some poor starving good horses, and a donkey along with them. In the day time they are prowling. turned Loco Foce ! "Small favors thank- about the neighboring farm houses, and fully received." It may be true, but none in town, the women begging and telling of the Republicans up there have missed fortunes and the men buffering and tra him, and "the returns" are all right, in diug horses, watches, &c. They are from Dr Livingstone's Travels & Explorations his county. Some warge y treet des To | England. ries before the close of the War of Independence: nevertheless, the Revolution in New Jersey is 8,148. Add to this "went right on," just us though nothing had between the close of the War of Independence: nevertheless, the Revolution in New Jersey is 8,148. Add to this Jones' separate American vote in Camden had between the close of the War of Independence: nevertheless, the Revolution in New Jersey is 8,148. Add to this Jones' separate American vote in Camden had between the close of the War of Independence: nevertheless, the Revolution in New Jersey is 8,148. Add to this and hair-breadth scapes among savage beasts and more savage men. Dr. Livingstone was alone (or unattended by any white man) tray the control of the Revolution and hair-breadth scapes among savage beasts and more savage men. Dr. Livingstone was alone (or unattended by any white man) tray the Revolution and hair-breadth scapes among savage beasts and more savage men. Dr. Livingstone was alone (or unattended by any white man) tray the Revolution and the proposition of the Revolution and the revo ries before the close of the War of Indehad happened!

Two Men DROWNED. - Two men were drawned near Linden, on Sunday night, while endeavoring to cross the river There were three together, one of whom escaped by holding fast to the beat, after it capsized. They were laborers on Bennett's section of the Sunbury & Eric railroad, but we were not able to learn

Babbit, Hall, and we know not how many fruit others, are sons or grandsons of good old Yankeeland. (Judge Strong, of old Berks, is a Massachusetts man)

Territorial Legislature of Nebraska, a bill has been introduced to prohibit slaveholding in said Territory after Jan. 1, 1859. We trust with the New York Tribune, that it may pass, though the Dred Scott decision has probably deprived it of any other than a moral efficacy.

SLAVE CODE FOR THE TERRITORIES .-The Washington Union cites with approbation an article from the Richmond quirer, which, in view of Judge Douglas' assertion of the right of Territorial Legislatures to exclude Slavery, takes the ground that Congress must interfere to protect the institution and supply the legislation withheld by the derenet Territory.

WANT WORK .- Applicants for situations in the Harrisburg Cotton Mill are very numerous, and the Company will have no difficulty in resuming operations with a full supply of bands. The Mill will give employment to about three hundred persons during the winter.

To purify the River Thames, about 250 tons of lime are every day thrown into it near the London sewers, at an expense of \$7500 per week. Men have also been engaged during the period of low water, in covering both banks with lime.

The new fillsbustering expedition of "the little gray-eyed man of destiny"-destined to be hung, if he ever gets his deserts-William Walker, was stopped by the United States authorities, on Saturday -the day fixed for sailing.

Gov. Packer tendered the vacancy in the Supreme Court to Mr. Read, and it was declined on the ground that he wished a short time to sattle his business prior to entering upon his duties in December.

The best way to stop "brutal prize fights," is, not to notice them beforehand, or describe them afterward, but to make laws punishing all engaged in them and all who advertize them.
