Hance :- I was in Baltimore in April, 1854, and from a paper I received of yours was induced to buy a box of your Pills, recommended as a sovreign cure for the Epileptic Fits. At that time one of my servants had been afflicted with fits about twelve years. When reaching home, I commenced with the Pills according to directions. I do not think she has had one since. My wife, though, is somewhat induced to believe she may have had one only. Enclosed you will find five dollars, for which you will please forward me two boxes. I suppose you can forward them by mail. Your compliance will oblige me. Yours respectfully. M. P. SLEDGE.
