Democratic State Convention. The Democratic State Committee, at its

meeting, on January 29th, at Harrisburg, adopted the following resolutions : 1st. That the regular Convention of the

party, for nominating a candidate for the Supreme Bench, be held at Harrisburg, on Second Tuesday of June, 1867, at twelve o'clock M., and that said Convention be composed of the usual number of delegates. 2nd. In addition thereto, it is recommended to the Democracy of Pennsylvania to forthwith elect, in the usual manner, two-delegates, of recognized position and influence in the party, for each Representative and Senator in their respective district, who shall meet in Mass Convention, at Harris-

burg, on a day to be fixed by the Chairman of the State Central Committee. By order of the Democratic State Com. WM. A. WALLACE, Chairman.

#### To the Members of the Democratic Standing Committee of Columbia County.

GENTLEMEN: In order that Columbia County may be represented in the above named Conventions, you are requested to meet at the office of the Chairman, in Bloomsburg, on SATURDAY, THE 9th DAY OF MARCH, A. ## DEMOCRATS, ORGANIZE :

Again we call upon the Democrats of Columbia County to effect an organization of our party. In parts of this State where the Democratic party is not so much in the ascendency as it is in this part of Pennsylvania it is permanently organized, or, if not permanently yet is about organizing or has just organized. We wish to be plainly understood that we have no more faith in the availability of a political body that cannot keep up an organization than we have in an undisciplined army. Had we been properly organized in every township of the State we would have not been definated in last fall'selec- put upon trial? Why not try and convict 25 We notice that a move has been tion. THE BIGHT OF SUFFRAGE. The opposition of the Radical party to extending the right of suffrage to foreigners who have declared their intention to become citizens of the United States, was plainly manifested in the Honse to-day. Mr. Nite lack (Democrat), of Indiana, offered a resoabove alluded to the right of suffrage in the District of Columbia. Mr. Stevens, of Pennsylvania, moved to lay the resolution on the table. The Democrats ordered the yeas and navs on the motion, and about one half of the Radicals, afraid to put themselves on record in favor of such a motion, voted against it. The result was that it was not agreed to. When Mr. Niblack demanded the previous question on the passage of the resolution, every Radical voted against
