# Bloomsburg Democrat,

## LOCAL DEPARTMENT.

**Wednesday, March 6, 1867.**

☞ We will thank our readers for all local occurrences in their immediate localities. If they do not desire to write a communication for the public eye, let them send us a brief statement of everything of interest in their respective communities. A list of marriages, deaths, accidents, fires, removals, business changes, &c. We will put them in form. The more facts of this kind we can get the better it will suit us and our readers. Who will do it?

To Advertisers.—Persons wishing advertisements inserted, must hand them in early on Tuesday morning to insure their insertion for that week.

☞ Hon. Frank W. Headman, Member of the State Legislature from Bucks County, has our thanks for favors.

☞ Hon. G. D. Jackson of the Senate, and Hon. Thomas Clelfant of the House, will please accept our thanks for Legislative documents.

☞ George H. Brown, formerly of the "Exchange," has taken possession of the "Rupert House," which property he purchased not long since.

☞ A new lot of slippers and shoes for ladies, and boots for men and boys; also, a good supply of dry-goods, groceries, etc. etc., all cheap for cash or trade, at A. Hartman's tore, on Main street.

☞ Hon. Charles R. Buckalew has our thanks for a copy of his remarks, printed in pamphlet form, in the Senate on the 16th, 17th and 20th ult., on the bill to provide for the more efficient government of the insurrectionary States.

☞ The large circulation of the Democrat in the County, and the attractive appearance of the paper, has made it a medium for advertising of more than ordinary importance, hence the crowded state of our columns.

☞ An exchange says the printing paper has come down so as to affect the price per yearly subscriber to the amount of about *one-fourth* of a cent. We will make the reduction for such of our *advance* subscribers as can make the change.

The Fish Movement.—In accordance with an Act of the Legislature improvements are being made in the introduction of shines into the dams of the Susquehanna river for the passage of shad. It is anticipated that the movement will prove a success.

☞ Col. Levi L. Tate returned from the cities of New York and Philadelphia on Monday last where he has been purchasing a Printing Press and materials to print a newspaper in the city of Williamsport, to commence between this and the first of April next.

☞ E. W. Wynkoop & Co. will commence their Spring Term of Select School on Monday the 8th day of April next. They are good teachers and keep a first-rate school. For information as to terms, &c., we would refer the reader to their advertisement in to-day's Democrat.

☞ The editor of the *Republican* tells his readers that a correspondent has written to him for his Photograph. "to put in an Album!" Wonder if the fellow didn't make a mistake? An eccentric individual at our elbow thinks that the correspondent must have wanted the Doctor's "Phiz" to grace the *political* rogue's gallery.

☞ We understand that a movement is on foot to divide the Township of Briarcreek, but to what extent it has traveled we have not learned. Last winter petitions looking to that object were sent to Harrisburg. The feeling of the people in that locality should be obeyed in the matter.

☞ Norman Hendershot opened up, at this place, on Monday last, one of the finest Drug Stores in the country. It is not surpassed in our large cities in neatness of arrangement or in quality of drugs. It is really a useful as well as an ornamental addition to our town.

☞ The Maple Sugar season has commenced. Considerable quantities may be manufactured, but in consequence of the high price of other sugars, the maple will command a fair price. Our friends who are engaged in the business of producing the *home* article should reap a rich harvest.

☞ The Hardware Store of C. W. Snyder is a complete success. He has added to his stock of goods, and his assortment is now nearly complete. From time to time as the wants of the community develop themselves he will increase his stock. The people of Columbia County may now congratulate themselves on having a *genuine* Hardware Store.

Thank you, Gentlemen.—Within the past week quite a number have renewed their subscriptions to the Democrat for another year, and bid us God speed. We hope all will do so, and in addition endeavor to increase our already large list. It is a small sum for each one, but in the aggregate makes a material support to us. That's right, gentlemen, stand by us, and we will stand by you in the future as we have in the past. Send in your names and money.

☞ Creasy & Jones, Merchants in Catawissa, advertise their extensive stock of goods in this week's Democrat. They are determined not to be surpassed by any dealers in that place in quantity, quality or cheapness. They have a carefully selected stock of goods for the spring trade, and take delight in showing up their goods, as well as selling them to their customers at low rates. They also have one of *the finest* store rooms in this county. Give them a call.

☞ John S. Sterner & Sons will continue the brick-making at their yard during the coming summer upon a more extensive scale than heretofore. They have purchased a patent moulding machine that is competent to turn off brick equal to some half dozen or more hands, and in a good, workmanlike style. This will enable them to furnish brick to those wishing the article at a reduced rate. They have some of the best clay in the county and plenty of it.

☞ W. Wirt, Esq., has removed his law office to the Democrat building in Shive's Block.

An Odd Match.—We heard yesterday of a young man in this city, who is but twenty years of age, being married a few days ago to a lady only sixty-one years old. A gay couple, that.—*Wheeling Register.*

☞ President Johnson has issued a proclamation recognizing Nebraska as a State. The Congressional delegation from this new State are in Washington awaiting the sitting of the new Congress.

The Bloomsburg *Democrat* came to us this week, under a new and tasty heading; and much improved in appearance. As friend Jacoby publishes the Democratic organ of Columbia County, we wish him every success.—*North'd County Democrat.*

☞ Hon. Levi L. Tate has sold his house and lot, situate on Third Street, to Mrs. A. J. Evans, of this town, for thirty-three hundred dollars ($3300 00.) This is a cheap, neat and convenient property. The location is desirable, and the buildings are all comparatively new.

To Postmasters.—Postmasters throughout the County who take special care to retard the circulation of the Democrat in obedience to the beck of the Loyal League, will please take notice that we intend to prosecute every individual who thus outrages common civility and decency after this date.

☞ For the benefit of those who owe us we republish the following startling paragraph. We hope our subscribers will be warned in time:

A ghost has appeared to the relict of a late lamented delinquent subscriber to the Lynchburg (Va.) *News*, saying:—"Jessie, pay my newspaper accounts and let me rest in peace!"

☞ The administratrix of the estate of John Whitenight late of Bloom Township, deceased, will sell four town lots at public sale on the 26th of March. They are splendid building lots, one of them situated on Third Street, the others on Fourth Street. They are planted with young choice fruit trees.

☞ We are informed that the first number of the *Lycoming Standard* under the supervision of Col. Levi L. Tate, a veteran editor in the Democratic ranks, will be issued, at the city of Williamsport, next week. He has, we are informed, a fine subscription list, and *starts* with a power press and new material of the most approved style. Success to the Colonel, for he deserves it. Editors will oblige him by addressing exchanges to the *Lycoming Standard* at Williamsport.

☞ John B. Pursel, Postmaster at this place, has been confirmed by the Senate. This was right: and will not suit the Radicals; they had expected to see him rejected, but because that fanatical Senate refused to confirm many of President Johnson's appointments, was no reason to think that they would set aside the nomination of Mr. Pursel. He will hold the office for two years, if he behaves himself, (and not much longer) after the *expiration* of which time we will endeavor to fill his place with an *Andrew Jackson* Democrat! Hurrah for Johnny!

Roofing.—Our friend and former townsman, Col. A. H. Brown, has just completed a job of tin roofing on the new Literary Institue, at this place, in a substantial and workman-like manner. This was quite an extensive and difficult piece of work to perform. The Superintendent of this building was fortunate in procuring so competent a person as Mr. B. to execute the job. The tin-work we speak of is around the observatory, on its top, on the portices, and water troughs; and is put down with a fine finish. Those having large jobs of this kind would do well to give Mr. B. a call at Danville, Pa.

☞ Norman Hendershot opened up, at this place, on Monday last, one of the finest Drug Stores in the country. It is not surpassed in our large cities in neatness of arrangement or in quality of drugs. It is really a useful as well as an ornamental addition to our town.

### A YOUNG LADY RETURNING

To her country home, after a sojourn of a few months in the City, was hardly recognised by her friends. In place of a coarse, rustic flushed face, she had a soft ruby complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the Circassian Balm, and considered it an invaluable acquisition to any Lady's toilet. By its use any Lady or Gentleman can improve their personal appearance a hundred fold. It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, also healing, cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful. Price $1. Sent by mail or express on receipt of an order by W. L. CLARK & CO., Chemists, No 3 West Fayette St., Syracuse, N. Y. The only American Agents for the sale of the same. [Feb 27 1867—1y

### BEHIND THE LIGHTHOUSE.

Old fogyism is not quite dead. People are still to be found who think that health is promoted by depletion! Was there ever such false logic! Nature is the grand antagonist of disease, and the depleters propose to prostrate Nature in order, one might suppose, to give the enemy a double chance at the life of the patient! The true practice is so to invigorate the vital powers as to render them an overmatch for the elements of disease. This can be done with HOSTETTER'S STOMACH BITTERS. Of all vegetable tonics they are most powerful and the most genial. At this season, when even the strongest organizations are liable to be affected by the alternations of stringent cold and malarious moisture, this inestimable protective medicine is especially needed. Persons predisposed to biliousness, dyspepsia, constipation, intermittent fever, or any of the complaints which cold weather superinduces or aggravates, should take it regularly throughout the Winter and Spring months. It is absolutely pure and harmless. [Feb. 13, 1867—1mo.]

### YOUNG MEN.

The experience of the past ten years has demonstrated the fact that reliance may be placed in the efficacy of

BELL'S SPECIFIC PILLS,

for the speedy and permanent cure of Seminal weakness, Emissions, Physical and Nervous debility, Impotence, or want of power, the result of Sexual Excess, or Youthful Indiscretion, which neglected ruins the happiness, and unfits the sufferer for Business, Social Society or Marriage, and often terminates in an untimely grave. Make no delay in seeking the remedy. It is entirely vegetable and harmless on the system, can be used without detection or interference with business pursuits, and no change of diet is necessary while using them. Price, One Dollar.

If you cannot get them of your druggist, send the money to Dr. J. Bryan, 819 Broadway, New York, and they will be sent free from observation by return of mail.

### KNOW THY DESTINY.

Madame E. F. Thornton, the great English Astrologist, Clairvoyant and Psychometrician, who has astonished the scientific classes of the Old World, has now located herself at Hudson, N. Y. Madame Thornton possesses such wonderful powers of second sight, as to enable her to impart knowledge of the greatest importance to the single or married of either sex. While in a state of trance, she delineates the very features of the person you are to marry, and by the aid of an instrument of intense power, known as the Psychrometrope, guarantees to produce a life like picture of the future husband or wife of the applicant, together with date of marriage, position in life, leading traits of character, &c. This is no humbug, as thousands of testimonials can assert. She will send when desired a certified certificate, or written guarantee, that the picture is what it purports to be. By enclosing a small lock of hair, and stating place of birth, age, disposition and complexion, and enclosing fifty cents and stamped envelope addressed to yourself you will receive the picture and desired information by return mail. All communications sacredly confidential. Address in confidence, MADAME E. F. THORNTON, P. O. Box 222, Hudson, N. Y. [Feb 27 '67—1y.

WHAT THE PRESS SAYS OF US;

Arrandale & Co., of this city are now sending out a great variety of Dress and Pant Patterns, Balmoral Skirts, Goods, Shawls and other valuable articles, in dry and fancy goods at one dollar each.

We confess our inability to see how this is done, but that it is done is beyond all question. This firm has had a long and honorable career, and it is to us by no means confounded with the host of swindling and bogus concerns with which this metropolis so much abounds. *We know the proprietors well and can personally vouch for the just and faithful performance of all their contracts.*—*National Workman, New York, Feb. 2, 1867.*

A Quarter Well Invested.—Mr. Eugene B. Carter, of the Monticello House, called at the Jewelry Emporium, 78 Main street, yesterday, and after paying his 25 cents suddenly found himself entitled to a Musical Box, valued at $300.

We understand that he was offered $250 for the instrument before leaving the store but refused to part with it. We should call this a quarter well invested.

We understand a number of other valuable articles were received, amongst which was a gold watch valued at $75, by one of the attaches of the *Examiner* office.—*Richmond Times, Sept. 21, 1866.*

Employment for Ladies.—The most eligible and profitable employment we have heard of for Ladies, who have friends and address, is the sale of certificates for the "Great Jewelry Sale" of Arrandale & Co. A lady of our acquaintance has been very successful in this way. Not only in filling her own purse but also in doing a good turn to those to whom she sold the certificates, as will be seen from our advertising columns. Gentlemen also can be thus engaged.—*N. Y. Sunday Mercury, Aug. 14, 1864.*

We understand Mr. S. W. Wilkinson, of this city, yesterday drew from the certificate box at Arrandale & Co.'s, 78 Main street a very fine double barrel fowling piece, *valued at one dollar*, for which he was required to pay the very moderate sum of one dollar.—*Richmond Whig, Sept. 29, 1866.*

The Great Jewelry Emporium of Arrandale & Co., No 254 King street, in the Bend, is still the prime object of attraction. The number of ladies and gentlemen who visited this establishment on Saturday last, was, we understand something fabulous. The principle of charging a uniform price of one dollar for each article is one that cannot fail to be appreciated by all who in the stock contains, as in this case, many valuable articles of fine gold jewelry and costly silver ware.—*Charleston Daily News, Feb 14, 1866*

Piano Unearthed.—Mr. John H. Bonhorst, at 604 Dauphin-ave-nue, No. 342 found street, yesterday got one solid 8 worth of certificates and, on opening them, found one called for a Gold Composite Hunting Watch and another for a Rosewood Piano, valued with cover and stool, at $400.—*Richmond Daily Examiner, Nov. 27, 1866.*

In sending or let us please state what proportion of certificates you require from each department. Where no special instructions are given, we send one-half from the Dry and Fancy Goods Department, and one half from the Jewelry and Silver Ware Department. Whenever desired, we will send articles
