Democratic State Nomination. For Judge of the Supreme Court, HON. GEO. BEARDSWOOD, OF PHILADELPHIA.

PROSPECTS.

The Democracy of the country were never more on the alert than they are now...

And to accomplish this desirable result the sooner, let us treat the Democratic Party...

Why Congress Meets.

The real reason for the assembling of Congress in extra session is to vote away more money to carry on the campaign among the negroes in the South.

The Secretary of State, Wm. Seward.

has seen proper to write a long letter on the SANTA ANNA question history of the country so far as our connection with Mexico is concerned.

The Democracy of this County.

will hold their Delegate Elections on Saturday the 27th inst. It is important that the best men of the Party be selected to hold the Convention.

SEASONABLE SUGGESTIONS.

The following hints are reasonable, and may be true; they are at least worth trying.

"Republicanism" at the South.

Certain radical journals whose sense of principle is blunted by an unscrupulous spirit of partisanship, are pointing exultingly to political movements in the South as evidence of what they call the "progress of Republicanism."

Presidential Prospects.

The Bangor Democrat publishes an article upon the above subject, which does not give so hopeless a view of our situation as many people insist upon taking.

FINNISH OUTRAGE AND MURDER BY NEGROES IN NORTH CAROLINA.

A Finnish outrage and murder was perpetrated in Jones County North Carolina a few days since by three negroes.

THE REPUBLICAN.

Mr. Albert F. Yost, lately connected with the Republican of Bloomsburg, advertises in our paper, of today, that he will revive the Republican newspaper of this County.

FAST RAILROAD TRAVEL.

The fastest railroad time ever recorded hereabout we think was made between this place and Reading early on Monday morning.

BRIGADIER GENERAL THOMAS FRANCIS MEAGHER.

is reported to have been drowned by falling from the steamer Thompson, on the 1st instant, while en route to discharge his duties as Governor of Montana territory.

FOUND OUT TO LATE.

We understand that one of the Associate Judges of Union county, avers that had he known the mongrel party was so hard up, that it was compelled to choose for a candidate for the Supreme bench, a man who had never got higher than associate Judge, that he would have made a desperate effort for the position himself.
