LOCAL DEPARTMENT.

Wednesday, Oct. 23, 1867.

☞ We will thank our readers for all local occurrences in their immediate localities. If they do not desire to write a communication for the public eye, let them send us a brief statement of everything of interest in their respective communities. A list o marriages, deaths, accidents, fires, removals, business changes, &c. We will put them in form. The more facts of this kind we can get the better it will suit us and our readers. Who will do it?

TO ADVERTISERS.—Persons wishing advertisements inserted, must hand them in early on Tuesday morning to insure their insertion for that week.

☞ The accounts of the firm of JACOBY & SHUMAN as far as sent out for collection are in the hands of the following persons:

Mifflin Township.—JOHN H. HETLER; SAMUEL CREASY.
Beaver.—BENJ. ZIMMERMAN, P. M.
Main.—U. J. CAMPBELL, P. M.
Catawissa.—STEPHEN BALDY.
Roaringcreek, Centralia, and Ashland.—JOHN HARNER.

In Sugarloaf Township, bills for collection have been placed in the hands of MONTGOMERY COLE, to whom payment is requested to be made at the earliest convenience.

In Scott Township, all persons knowing themselves in arrears for subscription, and advertising, to the DEMOCRAT, will please make payment to JOSEPH LILLEY.

Benton.—DANIEL HARTMAN.
Orange.—MICHAEL KELLER.
Madison.—WILLIAM MCNINCH.
Hemlock.—DANIEL NEYHART.
Rohrsburg—Mathias M. Appleman.

☞ A few bushels of corn will be taken at this office on subscription.

☞ W. H. Gilmore advertises some choice birds for sale in this paper.

☞ More new attractions at J. J. Brower's Store. People are rushing after the new and cheap goods. It is really astonishing what cheap goods are sold there. *

☞ Woodward's official majority in Luzerne is 1881, and Ketcham's majority in Susquehanna is 1270. Woodward's majority in the district, 611.

☞ P. John is a very *important* individual according to the space allowed, and the attention paid, him in the new sheet down town.

☞ The Award List of the Agricultural Society, published in this paper, prevents us giving our usual amount of news and political matter.

☞ Some wretch of an editor says that another twist to the present mode of "doing up" the ladies hair would take them off their feet!

☞ Read the advertisement of Mr. HUNSBERGER, Agent, in another column. He offers a fresh supply of Groceries in connection with his large assortment of Tobacco.

☞ Peterson's Ladies' Magazine for November has reached our sanctum. It is a charming number; a true and faithful companion for the ladies. They should all have it.

☞ A Massalion, Ohio, paper quotes butter at twelve cents a pound at that place and eggs at fourteen cents per dozen. We would be glad to quote a *like* change in our market.

☞ The poor fellows who have just returned all tattered and torn, from the cold bleak bluffs of Salt River, would do well to call at EVANS' and get a good suit of clothes, cheap for cash. *

☞ The Columbia County Temperance Union will hold its next meeting in Catawissa on Thursday evening, the 31st October, 1867, according to a resolution passed at its last meeting, in Bloomsburg, Sept. 12, 1867.

☞ The party that wants to rule this country is the party that wanted to ruin it. —*Exchange*

Exactly so, the people had discovered the fact and voted that "party" down on Tuesday, the 8th.

☞ At the last regular meeting of the B. M. S. Fund Association, the resignation of I. W. Hartman, as one of the Directors, was tendered, and accepted. His vacancy was filled by the election of E. R. Ikeler, Esq. A good selection.

☞ We will be thankful to persons throughout the county for information in regard to all local occurrences of general interest. If you feel that you cannot write for the public eye, just send us the facts, as brief as you choose to tell them.

☞ Friends of Sheridan and Sickles, vote for Judge Williams!—*Exchange.*

The above named dethroned satraps didn't appear to have many friends, as politicians in Pennsylvania, if we may judge by the vote polled for the higher-law candidate.

☞ We learn that the Democracy of old Lycoming County intend having a grand jubilee and ox-roast on Thursday next, at Muncy, in honor of the great triumph over the Radicals at the late election. Can't some of the Columbia Democracy attend?

☞ The County Commissioners are having some of the maple trees taken out of the Court House lot. They stood too thick. The thinning out of these trees and trimming of those that are allowed to remain, add much to the general appearance of the lot.

☞ On Saturday last the Books of the Bloomsburg Mutual Saving Fund Association were open for the sale of shares, between the hours of 3 and 8 o'clock, p. m. ... three hundred shares were taken and money paid, which was loaned out to the highest bidder, upon giving approved ... for the same.

FIRE.—We learn that on Thursday last a fire broke out in Catawissa, three stables with their contents.—... property, so far as we have learned, belonging to Philip Seesholtz and Lewis Yetter. The former losing several hogs, and a large amount of grain and hay. It is not known how the fire originated. Really there was no insurance on any of

☞ One evening last week the office of McKelvy, Neal & Co., at their Furnace near this town, was entered, through a window, by burglars. They attempted to open the large Iron Safe but failed. It is not supposed that they were "professionals," but persons who were unaware that the Company are not in the habit of keeping money at this office. Their adventure and effort to commit robbery were entirely fruitless.

☞ Rally, Boys! once more, and charge home upon the guerrillas.—*Exchange.*

We have the honor to report that a gallant charge was made on the 8th inst., completely routing the enemy in the Keystone and Buckeye districts, and the capture of over 600,000 of their forces.

☞ A Richmond special dispatch says it has been decided to try Jefferson Davis in November. The trial will probably commence on the 28th. An effort will be made to obtain a white jury, as the one now empanne'ed stands nine negroes and three whites.

☞ The Post Office Department use Fairbanks' Standard Scales, their correctness and convenience giving them preference over all others. Chemists, Assayers, Bankers, and all requiring delicate apparatus, find them entirely satisfactory.

☞ Incomparable.—Grace's Celebrated Salve is conceded by all to be the best preparation for the cure of cuts, burns, wounds, scalds, sprains, and cutaneous diseases and eruptions generally. In places distant from medical aid it will be found invaluable, and in the nursery it should always be at hand.

WHAT MAKES THE TRUE MAN.—In our own country the mechanic and the workingman have only themselves to blame, if they are not held in equal esteem with the wealthiest and most fashionable. The American mechanic's destiny is in his own keeping.—If he is industrious, upright and intelligent, and adds to his store of intelligence from day to day, as every man may who will; the avenues to the best society and to the highest positions in the gifts of the people are thrown wide open to him. Roger Sherman was a shoemaker; Benjamin Franklin a printer; Abraham Lincoln a rail-splitter; Andrew Johnson a tailor, and yet their humble pursuit in early life proved no bar to their advancement to honor and destination. Let the mechanic feel as every right-minded man should feel, that, in this free country of ours "honor and fame from no condition rise," but that it is genuine worth, the worth of industry, integrity and intelligence that confers the true destinction. Without these though possessed of millions, he will fail to command the respect of his fellows.

☞ A gentleman of great medical knowledge says that a more genial, wholesome and effectual tonic and appetizer than Drake's Celebrated Plantation Bitters was never discovered. He recommends it for Dyspepsia, for Liver Complaint, for Exhaustion, Weakness, for a want of Appetite, and for Mental depression. It is an agreeable stimulent, and is equally adapted to young and old. Persons of sedentary habits, like clergyman, lawyers, merchants, and delicate females are particularly benefited by its use.

MAGNOLIA WATER.—A deligtful toilet article—superior to Celogne and at half the price. No. 34.

In all billious disorders these Pills may be used with confidence, as they promote the discharge of vitiated bile, and remove those obstructions from the liver and biliary ducts, which are the cause of billious affections in general.

SCHENCK'S MANDRAKE PILLS cure Sick Headache, and all disorders of the Liver, indicated by sallow skin, coated tongue, costiveness, drowsiness, and a general feeling of weariness and lassitude, showing that the liver is in a torpid or obstructed condition.

In short, these Pills may be used with advantage in all cases when a purgative or alterative medicine is required.

Please ask for "Dr. Schenck's Mandrake Pills," and observe that the two likenesses of the Doctor are on the Government stamp—one when in the last stage of Consumption, and the other in his present health.

Wonderful Revelations Made by the Great Astrologist, MADAME H. A. PERRIGO. She reveals secrets no mortal ever knew. She restores to happiness those who from doleful events, catastrophes, crosses in love, loss of relation, and friends, loss of money, &c., have become despondent. "I have been troubled for years with a bad humor sometimes outwardly, and sometimes inwardly.—During the past summer it manifested itself more than usual outwardly, and I used your Salve. A YOUNG LADY RETURNING

To her country home, after a sojourn of a few months in the City, was hardly recognised by her friends. In place of a course, rustic flushed face, she had a soft ruby complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the Circassian Balm, and considered it an invaluable acquisition to any Lady's toilet. By its use any Lady or Gentleman can improve their personal appearance an hundred fold. It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, also healing, cleansing and beatifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful. KNOW THY DESTINY.

Madame E. F. Thornton, the great English Astrologist, Clairvoyant and Psychometrican, who has astonished the scientific classes of the Old World, has now located herself at Hudson, N. Y. Madame Thornton possesses such wonderful powers of second sight, as to enable her to impart knowledge of the greatest importance to the single or married of either sex. While in a state of trance, she delineates the very features of the person you are to marry, and by the aid of an instrument of intense power, known as the Psychomotrope, guarantees to produce a life-like picture of the future husband or wife of the applicant, together with date of marriage, position in life, leading traits of character, &c. This is no humbug, as thousands of testimonials can assert. She will send when desired a certified certificate, or written guarantee, that the picture is what it purports to be. By enclosing a small lock of hair, and stating place of birth, age, disposition and complexion, and enclosing fifty cents and stamped envelope addressed to yourself, you will receive the picture and desired information by return mail. All communications sacredly confidential. Address in confidence, MADAME E. F. THORNTON, P. O. Box ..., Hudson N. Y. [Feb 27 '67—1y

SONG OF IRON.

I am mighty in the saber,
Fiercely wielded by the brave;
Glorious in the stalwart steamer,
Laughing at the storm and wave.

Beauteous in the palace pillars,
Saving in the pointed rod,
As it brings the deadly lightning
Guel ed and harmless to the sod.

But there is a glorious essence
Where I take my grandest power,
Giving to the RACE my surest
Sweetest aid, in danger's hour.

See! before me fly diseases!
See the darkest hydras bow!
See the rose of health and beauty
Take the palest cheek and brow.

Fly, dyspepsia! fly consumption!
Yes, all ills are crushed at length;
For I give what human nature
Only ever needed—STRENGTH!

Shall I tell in what great essence
I can thus your spirits cheer up?
Faithful, trembling, dying sufferer,
"Tis the famed "PERUVIAN SYRUP."

The PERUVIAN SYRUP is a protected solution of the Protoxide of Iron a new discovery in medicine that strikes at the root of disease by supplying the blood with its *vital principle or life element,—Iron*

GRACE'S CELEBRATED SALVE.

From Mr. JAMES CURTIS of AMESBURY, Mass.

"I was afflicted with a severe felon on one of my fingers, and tried many remedies without relief. My friends induced me to apply your Salve. In two days it extracted the inflamation from my finger so as to enable me to resume my work. I can almost say that the Salve worked like magic, for it effected a cure without leaving a scar. I unhesitatingly pronounce *Grace's Salve* an excellent remedy, and do not doubt it will be appreciated throughout the land."

The Truth about Dysp psia.

Whoever says that dyspepsia is incurable, tells a —that is to say, makes an egregious mistake. More than ten thousand aggravated cases have been cured by HOSTETTER'S STOMACH BITTERS, while the number that have been prevented from coming to a head, by the same means, is incalculable. In this season of the year, when the appetite is sometimes too vigorous for the comfort and safety of the stomach indigestion is most prevalent and most distressing to the appetite to be balked to accommodate the digestive organs? Not so; for then the frame would lack its due proportion of nutriment. The thing to be done is to STRENGTHEN THE STOMACH, tone the liver and put the bowels in perfect order. Nothing will do this so effectually, so rapidly, so quietly, so pleasantly, as HOSTETTER'S BITTERS. This potent preparation trims and balances the system, and clothes it, as it were, with defensive armor. Chronic dyspepsia, liver complaint, and fever and ague are never known to attack those who are wise enough to invoke the aid of this great preventative.
