It has so often heretofore been the case that Democrats have suffered the opposition to fill all the important borough and township offices, that we do not think it is out of place in us to again call attention to this matter. The Republicans, wherever they are in the majority, are careful that no Democrat gets any of the spoils at their disposel. Treat them in the same way and sed to it that they do not get a "smell," unless it is that of a niggor.
