THE increasing demand for Metal Tipped Shoes, both Silver and Copper, the former being extensively used on fine shoes, shows conclusively that the public appreciate their value. WE publish this week, the proceed ings of the meeting of the Columbia County Teachers' Association, held at Berwick, on the 2d inst. We take the report from the Berwick Gazette, and condense it very considerably. We are always anxious to give publicity to teachers' meetings, but we think the Secretary of the Association might have favored the county papers with the minutes of the meeting so as to have published them carlier. Let there be more care hereafter.

FIRE.-Week ago last Sunday night a small shanty occupied by a man named Me-Laughlin at Great Bend, took fire and was burned to the ground. Six children and a young girl of sixteen were asleep in the shanty when the fire broke out. The parents were absent at a dance. The girl succeeded in rescuing three of the children, one so badly burned that it died shortly afterwards, and in her endeavors to rescue

Jerseytown. JERSEYTOWN is a pleasant and antique rillage, situated in the heart of a thickly settled agricultural district, in the northwestern part of Columbia County, containing two stores, hotels, shops and M. Ds.-Among the first and most energetic moreantile business men of the place are CONRAD main street and A. MADISON on the southwest corner of the same street, both with store-rooms well filled with goods of every description, and at prices to suit the times. In making their selections and purchases in the eastern cities, they consulted the interests of their customers, by buying goods when the markets were not thronged with country merchants, and at houses having the largest trade, thus securing the very best possible bargains, which enables them to sell at greatly reduced prices.

There are two hotels in the place, conducted in the modern style, with plenty to cat and drink, at liberal prices. The names of the proprietors are, respectively, A. K. SMITH, and SAMUEL RIMBEY, proprietors and experienced landlords, and both are enjoying a public and local custom second to no other village inn-keepers in the country. The town can boast of two skillful physicians, young men of intelligence and experience, and who possess the full confidence of the entire community. They are Drs. THOS. J. SWISHER and JOHN C. FRUIT. Succes to them. Dr Fruit was Surgeon in the army from November 1862 to August 1865, after the close of the war, when he returned home to practice in a different

The blacksmiths are THOMAS BAKER and GEORGE S. LEE, the former a grand-son of the late Thomas Cole of the Bor. of Berwick, and the latter a son of Daniel Lee, Esq., of Bloomsburg. They are both pronouncd industrous and proficient workmen, and have plenty of repairing and new work to execute. A village smith with plenty of work need "ask no boot of any one;" he can in a short time, gather about him a good supply of this worlds goods.

It would not do to pass the tailor, though he is, by some people styled the "ninth part 1864 of a man." His name is Stout and so is his work, or else we have been imposed on in our information.
