Bloomsburg Democrat.

Wednesday, June 10, 1868.

WE have for sale several "Scholar on Philadelphia Commercial Colbine ?

HON. C. R. BUCKALEW has our thanks for capies of the Congressional Globe.

THE DEMOCRAT is a little belated his week on we ount of the late arrival of our last lot of paper.

JOSIAH H. ROBMAN has been appointed collector of State and County taxes. for 1868, in Bloom township.

WE are pleased to notice that the Columbian has run up the Democratic tick-Wt at its mast-head. That's right.

Willo said he had not seen D. A. shoes? That person had better go at once and purchase him or herself a fine pair .has decidedly the best stock ever Dan. brought to this town, or else reports are not correct. Give him a call.

THE attention of all those interested is directed to the notice puplished in another column, relative to the payment of the last installment of stock to the Bloomsburg Lit- sham, State Superintendent of Common George W. Correll, H. C. & I. W. Hartman, erary Institute.

WEIN FORNEY will please accept our thanks for a copy of the Report of the State Librarian to the Législature. Mr. F. is the State Librarian and one of the editors of the Daily State Guard, published at Harrisburg.

New arrival at the Hardware store All new and improved agricultural implements can be had at this house. Builders and others would do well to purchase their hardware, such as nails, hinges, locks, glass, putty, &o., &c., at this establishment.

WILLIAM ERASMUS is prepared to serve all with ice cream of the finest flavors, each evening in the week, Sundays excepted, at his new establishment, in east Bloomsburg. Young folks on their promenade will be sure to give "daddy" a call.

WILLIAM RABB is repairing and enlarging the interior part of his store room on Main Street in this town. Every body seems to be either repairing or erecting new buildings this spring in Bloomsburg. One of our cotemporaries, P. John, is trying his hand in remodling his dwelling house.

Where is CHASE going to get his Delegates from for the Presidency? Will he have any from Ohio, his State? Will be carry any from the Southern States, where HANCOCK is said to be strong? We rather think not. One of the fathers of Abolitionism and negro suffrage will not likely be the Democratic nominee.

The laying of the Corner-Stone of the Lutheran Church at Buck Horn, will take place, as was announced in our last, on Sabbath next, the 14th inst., at 10 o'clock in the forenoon. The public are respectfully invited to attend the exercises. The congregation and friends of religion are creeting a fine church building. The Rev. J. M. Emmerson, of Selinsgrove, is expected to assist in the exercises.

BET WIDMYER & JACOBY have fitted up, in connection with their confectionery store. a splendid ice cream saloon. It is furnished in such a manner as to attract unusual attention, and is the object of universal comtention, and is the object of universal com-ment. They have, every evening of the week, ice cream served up in all its popular flavors; and they are pleased to have their numerous friends call in and test its good qualities.

egate elections will take place in this county on Saturday the 25th of July next ; mix weeks from next Satuaday.

We are Widmeyer & Jacoby, Beckley's large stock of summer boots and also glad to announce that the people of Palemon John, this town and vicinity, more generally feel Andrew J. H. C. HOWER,

BOP QUITE a good deal of inquiry as well . as anxiety was expressed a few days ago over a rather strange personage who was observed perambulating our streets, on account, not so much from the fact that he was not known. but that he presented so snug and dandyfying appearance in his entire dress. The whole matter was fully explained, (his name, business and nativity,) after it was ascertained that he had purchased his clothes at A. J. Evans' Clothing Emporium, in this town.

CHARLES E. SAVAGE has removed his fine clock, watch, and jewelry store opposite to where he was located, to Unangst's new brick, on Main Street, where his old as well as new customers will always find him ever ready and willing to serve them in his line. He has a splendid jewelry case, well filled with mine and fashionable assortment of jewelry of every description. Give him a call, at his new establishment. He pays special attention to the repairing of clocks, watches, and jowelry.

WHAT'S the use of concocting a new story when an old one will answer the purnose ? Everybody will respond, saying there is no use. It is the same with a customer, when he finds that he can get everything he desires, and at the right prices, at a certain store, he's not going to quit dealing at that establishment. This accounts for J. J. BROWSE having such a large run. He keeps goods of first quality, and his prices are smoon the lowest. His late summer stock is attracting an unusually large number of customers to his store daily.

WE noticed the other day while passing slong Market Street, southward, that goveral of the citizens living on that street are moving their dwelling houses further back, and by that move widening the street to its full width. This improvement will no doubt add much to the appearance of that portion of the town; but while it does that, a large majority of the tax-payers in the county are opposed to having any part of the expense paid out of the County Treasury, as will be done under the present management. This is the same Street that created great excitement through the county a few years ago. The opening of it was agitated for several months at that time, and then finally abandoned until the past few months, when the project was again and apparently successfully renewed. We most
