This House will be a very convenient and suitable one. Its location is somewhat central in the town, which is quite an object to all whom it concerns.

WE notice that men of taste, both young and old, go to A. J. Evans' Clothing Thursday last, at the American House, in Emporium to get their new Fourth of July suits. The rush at his establishment at this time is unprecedented. But so far he has been able to meet the demands and give entire satisfaction to all.

WE again call attention to the laying of the Corner-Stone of the State Normal School, at Bloomsburg, to take place on the one; and the third time he has been per-25th inst. The Governor of the State, Professor Wickersham, and other eminent gentlemen will be present, and the occasion will be one of the most interesting ever witnessed by the people of Columbia County.

WE notice that S. Bruce Coleman is putting up in front of the house of Hon. Wm. Elwell, in our town, the new iron fence recently introduced. It is of the most tasteful, as well as of the most substantial kind : and we understand that the price is comparatively low. Mr. Coleman, we are informed, is prepared to furnish this fence in any quantities at city prices.

FOR THE Commissioners appointed by Act of Assembly to select a site for a State Lunatic Asylum, visited our county on Friday last. We are credibly informed that tue highest degree of admiration was expressed by the gentlemen composing the Commission, of the favorable character of the proposed location, near Bloomsburg.-Such men as Dr. Traill Green, Dr. Reid, Dr. Curwen, are not apt to pronounce opinions without due deliberation, and from all we can gather we are inclined to the belief that our growing town will have one more added to the public institutions with which she is already adorned.
