POLITICAL DISCUSSION .- On Friday evening next Capt. Brockway and Capt. Whitmoyer will discuss the political issues of the day from the stand erected in Market Square, Bloomsburg: These discussions are being well attended, and we have no doubt the results will be beneficial to the Demoeratic vote in the county. SUGARLOAF CLUB. - The Democrats of Sugarloaf township formed a Club last week for the campaign. William B. Peterman was made President, Ezra O. West. Secretary, and Andrew Laubach Treasurer. E. Cooley, Esq., of this place, being present was called on for a speech. He came forward and addressed the Club for an hour and a half, upon the living issues of the campaign, frequently being interrupted with applause. Mr. C. works hard for the cause of Democracy. THE Hunting Match at Buckhorn came off on Saturday last, as per announcement. The affair was a complete success so far as good feeling and enjoyment were concerned. Besides, a goodly quantity of game was killed, as will be seen from the appended count. In the evening, when all had returned, a sumptuous and most welcome repast was served up at the hotel of Mr. John Hartman, and amid the clatter of dishes and the disappearance of viands, the heroes of the day recounted their exploits.

The company of Mr. James Harris count ed 1,109; that of Capt. George L. Shoemaker 1,100.

STOCK was bid off in the Savings Fund Association at this place, on Saturday evening last, at a premium of \$1.53. This Association has been in existence one year, and is in a flourishing condition. A statement will be published in a short time showing the financial condition of the Institution. A President and four Directors, are to be elected at the next monthly meeting, which will be held on the 17th of October. Shareholders will please bear this in mind. Shares were worth at the last meeting \$21.00. No better investment can be made than to invest in this Institution.

THE Radical sheet of this place is Mainville, connelled to announce from time to time that certain republicans have not gone over to the Democratic party. For instance, last week it lugged before the public the names of two respectable, quiet gostlemen, citizens of Bloomsburg, who have always been Republicans, with the startling announcement that they were for Grant and Colfax! Wonderful discovery! Astonishing news! Why Doctor, nobody ever thought or hoped that your party had come over body, sonl, and breeches.

THE Rads profess to be afraid of another war down South if a Democratic President should be elected. One of their orators in this town, who smelt powder a little in 1862, said on the stump that he "did not want to go down there again." Poor boy, his cowardice is to be pitied. By the by, such soldiers as General ENT, our candidate for Surveyor General, and who led his men in a hundred fights, has no repugnance to fighting in a good cause whenever necessary.
