### Wednesday, October 28, 1868.

WE have been informed that the reccipts at the Baptist's table on the Fair grounds, during the exhibition, amounted more which have gone against us. to over \$182.00.

SE THE Brick Hotel at Orangeville has been sold by Samuel Everett. Esq., to Rohr MoHenry, of Benton, for \$3,500. A good property.

BO WE understand that Henry 'C. Hart man of this town charged the burning of his stable upon the members of Rescue Fire Company. He must be, what is pretty gen-

SANUEL NEYHARD. Executor, offers for sale several tracts of land, situate in Centre township, belonging to the estate of Philip Salzig, deceased. One tract contains twelve acres, cleared and well improved; the other is a timber tract. The first piece is in a high state of cultivation, while the second is well timbered with chestnut, oak,

THE receipts of the Columbia County Agricultural Fair, nt its late exhibition, were \$2,200. Protty good. We believe this amount exceeds the Feecipts of all previous Fairs held in this county.

\*\*\*\* ELECTORAL TICKET.-In this issue we give a column of Democratic Electoral Tickets. It is correct. Let every Democrat see that no bogus ones are voted. Keep a sharp look out for all kinds of frauds.

DEMOCRATS of Columbia county, remember that a change of one vote in every one hundred, polled on the 13th, will give us the State by over three thousand majoritr. Work for such a result.

BOL. JOHN LEACOCK lost twenty five chickens on Tuesday last from some unknown disease. He had them in a coop fatening for the holidays. There is something singular about it. His neighbors' chickens are not dying off.

bor We want at this office, this week. from ten to fifteen bushels of potatoes on subscription to the DEMOCRAT. One dollar a bushel will be allowed if brought between this (Wednesday) and Saturday, Oct. 31st.

A REWARD of \$50,000 has been offered for the arrest and conviction of the murderers of Alexander W. Ren, who was killed near Centralia last week. As yet the guilty part os are at liberty; at least no one has been lodged in the county jail charged with having committed the crime.

sor ALL the money spent in this county by the Radicals to carry the election was lost. It had the good effect of increasing the Democratic majority,

ber THE BIRD LAW. - Our sportsmen. when they go out into the country with dog and gun, poaching, should remember that the shooting of insectiverous birds is not allowed. Last winter the Legislature passed a law imposing a fine of \$25 for each offence.

PROF. CARVER is not leaving astone naturned to have the Normal S. building completed at the promised time. The roof is now being "brought up," and soon the whole will be enclosed. Were the windows in, the building, so far as outward appear-ance go, would be nearly, if not quite, com-pleted. Mr. C. is doiny, if not quite, com-tractions to pleted if the traction of the

The season of thill harvest and of fell. game is upon us. Let any one cast Lis ing a false step, just before the fall, eye on the surrounding fifths, and he will unobserved.

FTROT. - There will be a grand trot for a purse of \$509, on the Bloomsburg Driving Park, on Wednesday next. November 4th, between b. m. Kate Mann and s. g. Warrior. The trot will come off at 2 o'clock p. m. Admission, 50 cents.

SCALLAWAOISM. -The Radicals have boastel for a long time that the only bribery and corruption which have digraced the country, was the fault of the Democratic years that the Radicals can spend as much side, and was an industrious and christain in one month as it used to cost the Democratic party in five years.

for Our worst fears, as expressed in our last, in regard to a rumored catastrophe down County Republican. Ha is succeeded by town, have been realized, and the bad proour fate is a hard one, and the iron may, after all, enter our soul, we still feel like exclaiming, "let her rip !" ...

WE acknowledge the receipt of "that large sized pin ;" it looks plump, healthy, and stout, and no doubt capable of renderhalf. It's true, Piollet was not elected. We Fayette. come down, tanicly come down, and not sneakingly or in a manner at least dispar-

aging to ourself. Had we asked for the sticking of 156 "good sized pins there," the result might have been differently arranged. We have learned a lesson, to not ask for one pin, but for a sufficient quantity to "put us through." Two years from this, should

the district remain the same, we will venture the proper amount of pins, we'll betand it may not require more than one !-Awful is the falling off ! Just look at Mercur's majority now, (311) and compare it with his majority four years ago, when it was 1001, and two years since, when his majority reached 1287! How will Ulysses explain this to his old Radical collegues in the next

Congress? AN AGED VOTER. - George Labar, in Monroe Co., now 106 years of age, voted the Democratic ticket solid on the 13th, as and limbs as though he was going to live many years yet. Like an old forest tree he has withstood the blasts of over one hundred pleted at the promised time. The roof is winters, and amidst the turmoil of factions

He is about forty-five years of age, and He is about forty-live years of age, and leaves a family at Easton, Pa., to mourn his untimely death. His body, in charge of the Coroner, left here for Easton on the midnight train, the night of the sad accident.

There will be a mouraful reception in that family upon the arrival of the lifeless body of the husband, who but a short time before left his home in the buoyancy of hope and

life. The Coroner's inquest, we understand, rendered a verdict that the deceased came to his death from a disease of the heart.-Northumberland Democrat. The deceased was an uncle of the editor of party, but we have seen in the last seven the Bloomsburg Democrat, on his mother's

On Friday afternoon last, David Vincent was killed, and Jacob Huns severely injured, while engaged in blasting salamander at the Shamokin Furnace, by the discharge of a blast, which occurred at the time the tamping was being put in. Vincent was hit in the face with the hammer he was using, which was hurled with such force as to tear off his jaw, and he died almost instantly. ---He was aged about 23 years, and leaves a wife and two children. Hans was badly burnt about the eyes, and it is foared he will lose the sight of one of them. His left hand was also burnt and cut in a painful manner, but none of his injuries are of a fatal character, and he is doing as well as could be expected under the circumstances.
