New Electric Bell at Y. M. C. A. In order to maintain perfect order in the game room at the Y. M. C. A., an electric bell has been installed, which is used to remind those engaged in playing the games (when they become too boisterous) that quiet must be re stored. If at the first ring of the bell gades. the unnecessary noise is not stopped, a second ring stops the games. It is found necessary for some such arrangement, not only to secure proper con duct, but to protect boys and young men who desire to enjoy the games in a more quiet manner. No discrimina-tion will be made, and those who fail to keep the rules must suffer the conces of their behavior. The bell was presented by Mr. Will Shoop and wiring and work was done by Will G. Brown, who also furnished the material and gave his services gratts. The Association appreciates this kind ness and returns thanks to both gentle

A Series of Mishaps.

The sixth span of the new bridge ap pears to be a sort of a Jonah, judging from the incidents and accidents tha have occurred there since it was com

ferred around one of the piers on Mon-day last, one of the employes fell into the water. On Tuesday the false work, on account of some of the bents not having been set on solid enough ground at the bottom of the river, settled to the extent of nearly causing the en-tire structure to break in two in the center. Had the break occurred the center. Had the break occurred the stimbers, heavy iron girders and 18 or 30 men would have been piled up in a promiseuous heap on the ice 35 feet below. Ready for Valentine Day.

St. Valentine's Day, which occurs
February 14, will enjoy a revival this
year as unusual interest has already
been displayed in the new designs of

The costom of sending valentines, sentimental or comic love messages, often in rhyme and adorned with or namental or groteaque devices, is a very ancient one.

Traces of the custom have been detected among the observances of the northern pagents of ancient Europe, hence it is not probable that the tradition ascribed its origin to a commemoration of the loving and charitable disposition of St. Valentine is the true origin of the observance.
