— SEE to it, Democrats, that you are assessed before Thursday, Sept. 7th, so that you may not be deprived of your vote in November.

.—Do not forget to pay your tax on or before October 7th, if you are over twenty-two years old on Novem-ber 7th or if you have not paid any tax since November 7th, 1903.

-It's about time now for the pol —IT'S about time now for the point ticians to practice up their very friendly hand-shake, if they don't care to appear so terribly awkward in the heat of the campaign, and im-mediately afterward.

— 'IT is no disgrace to wash windows or sweep a floor. The disgrace comes when it is done poorly,' says Booker T. Washington, the greatest colored man living. How true and yet how many of both races who fail to see it that way.

-WHEN there is a chance of win —WHEN there is a chance of winning is the time every good Democrat
should get to work. We have a
chance—in fact are going to win this
fall, and it will be an easy job if we
get all our people registered and qualified to vote. This must be done before the evening of September 7th.

—IF the weather permits, there will be a large crowd at the Farmers' Pienic tomorrow at DeWitt's park. A day off and spent at this affair will be profitable inasmuchas it will bring together old friends and create new ones, as well as develop the social qualities of the participants. Hon. Wm. T. Creasey, of Catawissa, wil be among the number, and assist it making the day's outing a success.

-Don'r forget, Democrats, that —Dox'r forget, Democrats, that Thursday, September 7, is the last day to register in order to secure your vote in November. It is easy to register; it is difficult to vote if youname is not upon the list. You a e a Democrat and will want to vot this fall, particularly when the prospects of cleaning out the Machina gang are so good. See to it at once that your name is properly on the Registry.

—School Suft. Gabrie, of Hazle, Luzerne county, deserves to go on record as establishing a new standard by which to measure the capacities of school teachers. To a large class who appeared before him as applicants for certificates he made this singular and rather original state ment. He said to them, "if your looks suit me you will be granted a certificate; if, on the other hand, I do not think you look like a teacher, you will not be granted a certificate." There is no doubt there are case where good looks are regarded in the light of capital—a very valuable asset, but we cannot remember that it was ever before required as a requisite in a school teacher, or as a measure of the contraction. -School Supt. Gabrie, of Haz in a school teacher, or as a measur of the latter's capacity.

DR. KENNEDY'S AVORITE REMEDY Breaks no Hearts, Excuses no Crimes.

Dr. David Kennedy's FAVORITE REM-ED7 is not a disguised enemy of the human Lace; where it cannot help, it does not harm. It is composed of vegetable ingredients and does not heat or inflame the blood but cools and purifies it. In all cases of Kidney troubles, Liver complaints, Constipation of the Bowels, and the delicate derangements which afflict women, the action of Dr. Kennedy's FAVORITE REMEDY is beyond praise. Thousands of grateful people voluntarily testify to this, in letters to Dr. Kennedy; and with a warmth and fullness of words which mere business certificates never possess. It makes no drunkards—excuses no crimes—breaks no hearts. In its coming there is hope, and in its wings there is healing. We challenge a trial and are confident of the result, Your druggist has it. ONE DOLLAR a Bottle. Bear in mind the name and address; Dr. David KENNEDY, Rondout, New York.
