

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidneys—poisoned blood will attack the vital organs of the body and kidneys themselves break down and waste away.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmor's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address Dr. Kilmor & Co., Southampton, N. Y. When writing mention reading this advertisement in this paper.

Don't mistake my mistake, but remember the name Swamp-Root, Dr. Kilmor's Swamp-Root, and the address, Southampton, N. Y., on every bottle.

COLONEL ECKMAN PASSES AWAY

Colonel Charles W. Eckman, the widely known resident of Roaring creek, former post master of Danville and a civil war veteran of note, passed away at 1:15 o'clock Thursday morning. There are few men who will be more widely missed, or whose death will cause a pang of deeper sorrow.

He was a man of energy, who believed in work and labored for the good that he could do. He was the soul of honor and integrity. He was kind and charitable and had a pleasant greeting and a kind word for all whom he met. Naturally he counted as his friends all within the wide range of his acquaintanceship.

**HIS ILLNESS.**  
During the war Colonel Eckman sustained a painful wound which never healed and from the effects of which he suffered during all his subsequent life. During the last two years, especially, due to the wound, he was ailing the most of the time. A couple of weeks ago he met with a slight fall, which aggravated the trouble and he rapidly grew worse until the end came.

**HIS CIVIL CAREER.**  
Charles W. Eckman was born near Klinesgrove, Upper Augusta township, June 27, 1837, and was therefore in his sixty-ninth year.

Colonel C. W. Eckman is best remembered by our citizens as post master at Danville, a position, which he filled with credit for sixteen years, receiving his first appointment during President Grant's administration. At an earlier day he was in the mercantile business in Danville as a member of the firm of Ramsey, Eckman & company. He was also in the oil refining business here for a number of years.

After retiring from the post mastership he moved to Harrisburg, where he was in business for ten years. About ten years ago he retired to his farm at Roaring creek, where he resided up to the time of his death.

**A FREE MASON.**  
Colonel Eckman was a member of Goodrich Post, No. 22, G. A. R. The local camp of Sons of Veterans, which is known as Colonel C. W. Eckman camp, was named in honor of the deceased. Colonel Eckman was a member of Mahoning Lodge, No. 516, F. & A. M., and also of Calvary Commandery, K. T., No. 37.

He is survived by his wife and three daughters, Katherine, Hettie (Mrs. John Darty) of Steelton, and Miss Boone of Philadelphia. Three brothers survive: D. R. Eckman, of this city, and Emery and Franklin Eckman, of Upper Augusta township, Northumberland county.

**PROMOTIONS.**  
The war record of Charles W. Eckman showing his promotions from private soldier to Brigade Commander in the Army of the Potomac is one that any soldier might regard with pride: Enrolled as a private Co. H, 93 Pa. Vols., Sept. 25, 1861; 2d Lieutenant Oct. 27, 1861; 1st Lieutenant July 25th, 1862; Captain, October 21, 1862; Major 93rd Pa. Vols., Sept. 24, 1864; Lieutenant Colonel Sept. 25, 1864; Brevet Colonel U. S. Volunteers, Oct. 19th, 1864; Colonel 93rd Regt Pa. Vols., January 23, 1865; commanding brigade until mustered out of service.

**MILITARY SERVICE.**  
Following is a summary of his military service: Assigned to Peck's brigade, Conch division, Keyes (4) Corps; Army of the Potomac, January 22, 1862; advance on Manassas, Va., March 10; siege of Yorktown, Va., April 5; May 4th, Williamsburg, May 5th Reconnoitered to Chickahominy river bottom bridge, May 29-30; Fair Oaks May 31-June 1; seven days before Richmond June 27th; Malvern Hill July 1; Chattanooga Sept. Two Large Stones Passed From Bladder.

This is one of the most beautiful months of the year to take a drive through the country, where one can see the farmer tilling his soil for the spring crops; the trees coming out in green leaves, fruit trees in bloom and in lots of places wild flowers can be seen—all of which look beautiful, especially to those who are housed up during the long winter months.

The farmers are busy sowing their oats and preparing their corn ground. If the weather is favorable until the last of this week nearly all will have their oats sown. Some have finished already while others are not quite done ploughing. The weather having been so unfavorable put the farmers back with their spring work—the ground being so wet in places it was impossible for them to work in it.

SNYDER COUNTY'S FUTURE.

6-cent Wave of Prosperity Has Struck Our Neighbors.

A tidal wave of prosperity and material development is in evidence now for Snyder county. The great water power on Middle Creek, two miles south of Millville, will be completed in three months. This has also assured the construction of the toll bridge across the river from Sunbury to Shamokin Dam. As a consequence, the trolley road will be built from Sunbury to Selingsgrove this summer and perhaps an extension to the Middle Creek Park, where the Middle Creek Electric company proposes to make a summer resort on the edge of the lake of their water power.

It is said the Pennsylvania railroad is contemplating the purchase of land at Shamokin Dam for a freight yard and to bridge the river at Sunbury and run a track down on the west side of the river to connect with the yard at Selingsgrove and thence to their Enola freight yard, near Harrisburg.

A company of New York capitalists are now figuring on extending the trolley line from Selingsgrove to Danunciano to connect with the trolley line from Harrisburg.

THE BIG SHOW COMING.  
The announcement that Ringling Brothers' World's Greatest Shows will exhibit in Sunbury will be received with more than usual interest by the people in this neighborhood. The Ringling Brothers have a name that stands for all that is new, novel and entertaining in the circus line, and the management announced that this season the show has been enlarged to such an extent that a whole extra train is used in addition to the four trains of last season. The show is now transported from place to place in eighty-five seventy-foot cars, constructed especially for the Ringling Brothers. In connection with the circus proper, in which the arenic performance is unexcelled, the Ringling Brothers are this season presenting the beautiful and sublime spectacular production of The Field of the Cloth of Gold. The pantomime play necessitates the use of 1,200 actors and actresses and of almost five hundred horses. It is presented on the largest stage ever used for exhibitional purposes. Special excursion rates have been arranged for on all lines of travel by Ringling Brothers, and those who desire to go to Sunbury, where this great circus exhibits Friday, June 1, can do so at a comparatively small cost. This will be the only point in this vicinity where the circus will exhibit this season and no one should miss this opportunity to see it. Watch this paper for additional announcements.

We are pleased to see that our townsman, Hon. Lloyd W. Welliver, has decided to be a candidate for associate judge. Mr. Welliver is one of the best townsmen in our country—a good neighbor, a friend to all, always looking after the interest of his friends. As Danville has all the candidates for the different offices the rural districts should certainly be looked after. In our place we have a man that can fill the position with credit not only to himself but to his friends and we predict for him an easy victory. As we have 'phones in nearly every home in and near our town we are in close touch with Danville. Mr. Welliver being a hustler in all his undertakings, will, when called upon to discharge the duty of his office be in Danville and at his post in due time. We hope, when the votes are counted, to be represented on the seat of justice by a man worthy of the honorable position Hon. L. W. Welliver is asking for. For those who know him well, know him to be fully qualified to fill the place.
