## Hotel Changes Hands.

Hotel Changes Hands. An important business transfer was completed yesterday afternoon when O. R. Drumheller purchased the good will and faxtures of the {Aldine Hotel, Sunbury, from Fred Aldinger, who was the proprietor and conducted the hotel ever since it was built. The sale proved to be quite a sur-prise and is said to have been con-summated within a few hours time. The exact price paid is not known but is said to be about four thousand doi-lars. The new proprietor took charge of the hotel immediately after the sale was completed. Mr. Drumheller is the owner of the building and as is well known is a

Hargreaves' Circus. "Of all animals that are trained for most intelligent." The above state-most intelligent." The above state-met is made by an agent of the Thom-as Hargraves railroad circus, which will exhibit in Bloomsburg on Satur-day, May 26 and in Milton, Monday, May 28. This agent ought to know, for he was formerly a successful train-er. Among other things the man said "Elephants learn with remarkable quickness and they don't show that aversion to their tricks that the anim-als of the cat family exhibit. I have seen elephants practice difficult tricks vanybody was around. "Elephants practice difficult tricks untarily—when they don't show that teach alion or bear a trick, while a leoperd or a tige." This the opinion of this former train-er that the above wild animals have van be angelty for learning what the horse. He says that, while a tiger can be tanght to walk upon its hind legs in there or four months, it will require as many years to teach a horse to do the same trick. Frost and Ice.

Monday morning there was a heavy frost, while thin ice formed at differ-ent points. At 5:30 a. m. mercury stood at 34 degrees at the Montour house; at noon it was at 65 degrees, while during the entire day the fear
