high position is better than a man in a low position. It is impossible, he said, to tell where such a class move-ment would end. The man next in line would want the same allow-ance, and so on down until eventually the workingman would bear all this accumulated burden. The bill had passed the House of Representatives by a strict party vote, the day before. It is a distinctly Re-publican measure and is in keeping with the theories of that party. It is an attempt to plunder the treasury by with the theories of that party. It is an attempt to plunder the treasury by State Stat

The real struggle was avoided by a late appointment and the Glorious Fourth, he wedded Mrs. Annie Bid-The real struggle was avoided by a connter movement on the part of the company in closing all its mills for a week's repairs. The discontent is of almost a year's standing. In December the iron workers asked that the puddlers be given 84.50 instead of 84. This was relieved. Last week this demand was dle at 2 o'clock Wednesday and had her share in the celebration.
