Confind delight in visiting shops, pulling over the stocks, obtaining samples they do not want and wasting time and patience of sales people for which good customers are willing to pay liberally. What possible pleasure can be secured from such a pastime is hard to understand, or to practical persons the days are all too short for necessary tasks. Dealers certainly like to display their goods and they pub-liely invite inspection, but that can not be stretched to mean the ineviti able damage by handling and the invite table damage by handling and the state of the persons indebted to said est to said est to said est find delight in visiting shops, pulling then entreated vehemently, but she was as a deaf adder that stoppeth her ears. "Fifty cents," she called, in answer to the auctioneer's challenge, at the same time stepping upon an empty box by the wall, so that she was in plain view of the whole crowd. "Secenty-five cents!" screamed a feminine voice across the hall. "One dollar," finshed back Netlle, her color rising, her eyes shining, for her cousin's voice came up to her in agi-tated whispers. "One fifty," came from her opponent. "Two dollars," arieleked the other woman, nervously counting the change in her purse. No one clase was bld-ding, the entire crowd having centered its attention on the nervous woman and the "swell" girl, and there were cheers and counter cheers as the blds crose dollar by dollar until at last the coveted box was knocked down to Nel-ite. The pest of flies in the Philippines is said to be worse than it has been for many years, but the intelligent people everwhere are now said to be taking vigorous measures for their de-struction, and to be carefully screen-ing all places where food is kept, and otherwise protecting themselves a gainst infection by the hitherto de-snised fly bites. an campaign. good returning until August 6. sult Ticket Agents. -THE deposits in the National Banks, upon which they pay no in-terest, amounted on July 23d to \$83, 790,681 and Secretary Shaw has promised the banks to let them have A TYPICAL MACHINE POLITICIAN MACHINE FOLITICIAN. The hide bound partisan spirit that some politicians display, should show the people how useless they are for any practical service. Here is Sena-tor Frye pledging the Republican State convention in Maine that he was for the G. O. P. "right or wrong." As the Republican machine in Maine has been notoriously corrupt and Nick entered the room, both of them showing in their manner strong excite-ment. The girl paused in hay pirouet-ting and paled at the sight of the stern faces. Her uncle saw her strange head-gear and angrily demanded its origin. Adolphus explained very carefully, not forgetting his own exposuluitions against the caprice. The old man turn-ed wrathrilly upon the girl. "You and Nick are of a piece in your attempts to humiliate and make a laughtnestock of me. My niece, the female head of my family, bidding at a common auction against a washer Estate of Ziba O. Yought, Late of Mayberry ost of the \$30,000,000 which will most of the \$30,000,000 which will be forthcoming from the sale of Pana-ma bonds on the same terms. This is a soft snap for the banks, they sub-scribe for the bonds and still keep the money, but draw the interest which the bonds call for. It's great finan-ciering for the banks but rather ex-pensive for the taxpayers. Letters testamentary on the above estat having been granted to the undersigned, al persons indebted to said estate are requeste to make payment, and those having elaim against it to present the same, without dela able damage by handling and the in-terference with business which comes from monopolizing the attention of sales people. IDA J. ADAMS, Administraterix, Quitman, Pa As the Republican machine in Maine has been notoriously corrupt and wrong, very wrong, for a number of years, the members of the convention must have felt their hearts warm to Frye for his pledge to stand by them. It is only necessary to mention that Frye was the champion of ship-sub-sidy in the Senate to show how faith-fully he stands by the G. O. P. when it is radically wronz. The voters of SNOW FELL ON HOTTEST DAY. ADMINISTRATOR'S NOTICE

THE CORRUPT REPUBLICAN MACHINE.

**REPUBLICAN MACHINE.** Former Republican Congressman Fosi has declared war on Senator Lodge and his "corrupt" machine in Massachusetts, which he declares should be "annihilated." He says in a letter to Channing Smith of the Republican state committee: "The machine has made up the slate for all offices for 12 years in advance. As you have said publicly, no man has any chance of political preferment in Massachusetts who will not wear the collar of the political boss of the state. Now, I am in for breaking up this sort of thing." Everywhere there is the same re-volt against the Republican state ma-chines and it is one of the good omens tally he stands by the G. O. P. when it is radically wrong. The voters of Maine should clear the decks by de-feating the Republican ring and then dispose of Frye and his like when their time comes. If you look up Frye's record he will be found voting for all the corrupt legislation that the Re-ublican party has been responsible publican party has been responsible

-ONCE upon a time a man went -OSCE upon a time a man went down to his front gate one morning and stopped the milkman. "Say," he called, "I want you to leave milk bere after this. How much is it a quart?" "Five cents," responded the milk man. "Well, here is thirty-

gainst infection by the hitherto de-spised fly bites. If flies carry cholera, why not is health good? It is fly time with us also, and there is warrant for set head is health good? It is fly time with us also, and there is warrant for set head observed by flies and the expediency of combating them with something more effective than sticky and unsightly fly paper. There is a strong probability that insect life, like bird life, serves a useful purpose, but a growing suspic-ion that more attention should be paid to the little things that buzz where "Dishonest Mortar."

Dishonest Mortar. "Dishonest mortar—a corrupt con-glomeration of sea sand and lime—was responsible for nearly all the earth-quake damage in San Francisco," says Dr. T. Nakamura, professor of architecture of the Imperial Univer-sity of Tokio and one of the most dis-tinguished members of the committee dispatched to San Francisco by the Japanese government to investigate to the little things that buzz where fever lurks, and where the pestilence

I ON OYSTER BAY. Former Postmaster Smith who is editor of the Philadelphia Press, was invited to Oyster Bay soon after the congressional leaders and Penrose, the Republican machine leader, had been there. The Press is backing the Lin-coln-Democratic ticket and a dispatch to the Washington Post says it is be-lieved that the Republican leaders urged President Roosevelt to remon-Japanese government to investigate the effects of trembler and fire. KEEP YOU EYE ON OYSTER BAY.

### IT IS HIS TO DO WITH AS HE PLEASES.

Every now and then some promi-nent public man rises up and has the courage to say a word in defense of the "unfortunate rich," who in these days appear to have few defend-ers outside their own ranks. It is un-fortunately too much the evetore is

the entry main. Well, net is tury, five cents. That will pay for a week." And that worthy citizen went in to his breakfast. For all that week the milkman faithfully left the milk on the door step each morning, and after the week was up he continued to take it inside every morning, and use it. Things went on this way for a year, and finally the milkman pre-sented a bill for milk for fifty-one weeks. "But, I only ordered milk of you for one week. You should have stopped when the time was up," said the citizen. "Have you not re-ceived the milk each morning, and used it?" asked the milkman, "Yes, but I thought you was giving it to me," said the citizen. "You'r a

ers outside their own ranks. It is un-fortunately too much the custom in these days to look upon the man who has managed to annas a fortune as a thief and a rogue, who has succeeded in accumulating riches at the expense of others less fortunate. Secretary Shaw made a little plen in Chicago the other day in behalf of men who, by their industry and actorships have lused it ?" asked the milkman. "Yes, but I thought you was giving it to me," said the citizen. "You'r a blamed fool, or else you are a terrible liar," replied the quick tempered milkman, "and if you don't pay for that milk I will have the law on

but very much plundered by the tariff on what they buy.

weeks Dr. Nakamura has completed his labors and upon sailing said:
"If find that much of the damage to San Francisco from the earthquake to san Francisco from the earthquake construction, and the greater part of the damage to the class A buildings by fire was the result of the misquide due of hollow tiling and so-called fire blocks instead of concrete. It is an easy matter, I have found, to design a building that will not only be earthquake proof, but practically fireror." "Dishonest mortar? — how much loss, failure, disaster in life is due to desire to do things too quickly, too showily and in solid uncel and sail: "Nick not "dishonest mortar? The wave sake, Adolphus, throw the table of a showy busines, to run a show farm, to "cut a splurge" — in short to appear to be something we are not show tho is honest all the way through. Such citizens are the strength of the present and the hops, who is honest all the way through. Such citizens are the strength of the present and the hops, who is honest all the way the wind is blowing in the strength of the present and the hops, whee we had task to win in 1908, whoever they nominate. This show, who is honest all the way the wind is blowing in the farmers have discovered that the dist on all the way the wind is blowing in the farmers have discovered that they own.
All hone to the tariff on what they buy.
"If washington thinks the Republicans, which Nelle had therding the way the wind is blowing in the farmers have discovered that they own.
"If a loss and ther greater and the hops, which Nelle had therding the way the wind is blowing in the farmers have discovered that the great the the tariff on what they buy.

is this?" be demanded. Then he, too, approached the table and peered into the box where Nick's eyes were fas-tened. "What is that?" he cried, ad-justing his glasses. "If you please, sir, it is Nick's heri-tage," answered Nellie shyly. For in the side of the pasteboard box was a hole through which the rogue of a girl had thrust her dimpied hand. And that was how Nellie obtained her uncle's consent and how Nick won his heart's desire as the aftermath of the old horse sale. the old horse sale.

Savored of the Truth. I's no lie," remarked the man

two smiling faces. "What mummery is this?" he demanded. Then he, too

"This is no le?" queried the man "What's no lie?" queried the other party to the dialogue. "This paragraph to the effect that "wise men are more often wrong than fools are right," answered the other.— Chicago News,

OLDEST HARVEST HAND Lancaster county turned out the State's oldest harvest hand this year. He is 87 years old and worked in the field with almost as much en Moses Harts much younger men. Moses Hartz, is his name, brother of Elias Hartz, of Reading, the famous 'goosebone' prophet. He comes of a long-lived

family, having a sister who is 90 years old.

A tong Burning Fire. At the Chequers inn at Slapestones near Osmotherly, England, is a firt which for more than a century has never been allowed to go out. The place is a quaint little building, to which many visitors resort on account of its never extinguished fire and the turf cakes baked upon its hearth. It has been kept by members of one fam by for over a hundred years.

ily for over a bundred years. EXECUTRIX'S NOTICE.

Estate of Henry Reynolds, Late Township, Montour County, Township, Montour County, Pennsyl-vania Deceased.
