Danville Intelligencer Established in 1828.

How's This?

How's This? We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure. F. J. (HENEY & CO., Toledo, O. We, the undersigned, have known F. J. Cheney for the last 13 years, and be-lieve him perfectly honorable in all busi-ness transactions, and frauncially able to carry out any obligations made by his from. WaldING, KINSAN & MARVIS.

Compiled for Hasty Readers of the Intelligencer, the Acknowledged Official Organ of Little Mon-

tour County.

Short sermons are popular. Make war on the mosquitoes Best County Paper, \$1.00 a year.

Good sidewalks greatly add to a city's thrifty appearance. Pottstown's Young Men's Christian

association has increased so rapidly of late that it has been compelled to add five rooms to its old quarters.

With regard to the charitable distribution of the millions left by her husband, Mrs. Russell Sage probably by this time has been offered the vol-untary services of as many advisors as she has dollars to give out.

Gambling at Saratoga has come to Hereafter there will not be anything to induce anybody to go

The general impression that the P. R. R. is cutting fares to get ahead of the Legislature doesn't prove that the Legislature is going to be composed ex clusively of patriots.

Hunters should prepare to see that the quail still remaining in this sec-tion are not slaughtered by pot hunters this fall.

The P. R. R. having thrown off one half, figuratively speaking the public, not to be outdone in generosity, pro-poses to throw off the other half.

When people read that the Pennsyl vania Railroad Company expects to earn about \$276,000,000 this year, it would seem that the rate reduction was due.

Trespass notices for sale at this fice. Two for 5c, or 25c a dozen. Hot as the weather is the preacher undoubtedly say some good things none of us can afford to miss.

The law of the State should compel the advertising of public mat-ters in the newspaper having the lar-gest bonafide circulation in the community affected.

Among this year's crop of medical graduates in Pennsylvania are 17 women, each of whom is grimly resolved on practicing surgery and yet will cry quietly if she gets her finger

The habit of sobriety is one against which no employer of labor was ever known to file an objection. Even the distillers and brewers and the retail dealers in liquors prefer employes who never drink.

Bloomsburg is making another effort to secure a market house. Subscription papers have been left at the various banks of the town and after the general public has subscribed as much as it desire, the balance of the stock will be provided for.

Pennsylvania leads the world in mining. And it is not far behind in **agr**icultural outturn per square mile.

The State's pure food agents have been in this section all of this week getting samples of candy that is being manufactured and sold. They have been particularly active in the matter of mint and cheap candies of that grade. It is also reported that in cer-tain places a pure food agent made purchases on the curbstone market.

Alvina, Union county, is without a postmaster. The former postmaster resigned and no one will take the job. The R. F. D. has taken most of the business and there is nothing in the job

onths usually account

The river is low, but the water is **Enameled Ware** still wet from frequent rains. If liquid air becomes cheap, the ice trust will get the cold shoulde Mr. and Mrs. John Clark, of

Phil'a, are circilating among their many old friends in this city. A 4-year-old daughter of Edwin Charles, of Port Treveton, fell into the Susquehanna river Tuesday while her mother was busy washing on shore and was drowned.

Cheney, T. Cheney, T

A great wave of indignation is sweeping over Columbia county, caused by the tax question. Farmers in every section are asking why the immensely rich coal deposits are re-sessed at several dollars per acre less than farm land, and insist that they e answered.

There will certainly be a good excuse for our people to lay aside their work on August 16. At that time the Nebraska Indian base ball team will Neoraska Indian Dase ball team will play the Bloomsburg team at Blooms-burg. The most famous base ball team in the country is the Nebraska Im-dians. This organization is composed of genuine American savages.

Next Thursday the third annual Tri-County Farmers' pienic will be held at DeWitt's Park. Great efforts

heid at DeWitt's Park. Great efforts are being made to surpass the inter-est of former years. There will be games and sports of most every de-scription to attract all classes. Be sure to arrange for a day off at that time, and attend this pienic. The crowd promises to be immense and the fueldities are apple for such a meth facilities are ample for such a rush

The various committees are busily en gaged and no effort will be spared Again we say, don't miss it ! A suit of unusual interest was set tled out of the Courts in Massachu

thed out of the Courts in Massachu-setts a few days ago, it being nothing less than a claim preferred by a rail-way mail clerk against the Albany and Boston Railroad, upon the ground that the defendant did not properly heat the car in which he was com-pelled to do his work, and that he

contracted a severe cold in conse nuence, which developed into pneumo ia, causing him to be confined to hi quence, which developed into pneumo-nia, causing him to be confined to his house and room for a period of six weeks. The railroad company not only paid him full wages for the pe-riod of his illness, but gave him a substantial sum in addition. There is hot empiricance and the start of the start start and the start of the start of the start start on the start of the start of the start of the start start of the start on the start of the start o

out one similar case on record, which was also settled in the same way.

Was also settled in the same way. The borough of Danville is in a little difficulty with the Delaware, Lackawanna & Western Railroad. The company charged the borough ten dollars for a blue print showing certain things about the tracks of the company through the borough, and the borough dads are angry, and have boycotted the railroad directing that all borough patronage shall be direct-d to the other rave, and have also

all borough patronage shall be directed to the other roads, and have also aused the railroad to be haled into

caused the railroad to be haled into court for running trains through the borough at a speed exceeding eight miles an hour. The railroad has de-manded a copy of the charter and or-dinances of the borough, and the bor-ough has replied to this by offering to furnish the desired information for ten dollars. It seems to us that there is a difference. The ordinances and charter of the borough are public do-cuments, and the railroad company has a right to see them, if they want to. Borough councils frequently get

to. Borough councils frequently ge the wrong idea of their functions. In the wrong idea of their functions. In-stead of rushing their town into liti-gation they should try and keep out. Just because haw suits cost them nothing, personally, they should not run, buil headed, into court, over things that can be settled outside. But, they will do as they want to, regardless of anything we can say.— Sullivan Review.

PEPSOIDS Cure Dyspepsia. Dr. Oidman's Prescription is
