My Hair is Scraggly

Do you like it? Then why be contented with it? Have to be? Oh, no! Just put on Ayer's Hair Vigor and have long, thick hair; soft, even hair. But first of all, stop your hair from coming out. Save what you have. Ayer's Hair Vigor will not dispart you. It feeds the hair-balls; makes weak hair strong.

Wanted at Northumberland. Joseph Gulick, Sycamore street, this city, who was arrested, Saturday night and committed to jail, was treated to a little variety last evening in the form of an automobile ride to Sunbury.

Officers Mincey and Voris Sunday night arrested Gulick on a warrant sworn out by David Sloor before Justice of the Peace George Fortig of Northumberland charging the accused with larceny of a foot stool. Gulick was placed in jail at this place to await the arrival of Chief of Police Milton McPherson of Northumberland, who arrived in this city on the 5-4 D. L. & W. train last evening.

It was thought that the prisoner could not be taken to Sunbury until the 9-10 train but it happened that Warren W. Welliver had business down the road with his auto and to prevent the long wait he obligingly proposed to transport free officers and prisoner to the county seat of Northumberland county. The party including Chief Mincey left shortly before dusk and the journey was made without incident. Gulick was committed to jail in Sunbury to await a hearing today.

The man arrested who was formerly a resident of Northumberland, has lived in Danville for some time. He has a wife and two children.
