SOME NEW LAWS SUPT. SCHAEFFER'S WE MAY EXPECT

The next Pennsylvania legislature Will go into session with a comfort able Republican majority in both branches; so the people of the Stat will naturally look for the enactmen of such laws as were promised to then

There is no diversity of opinion among the Republican State leaders as to the introduction and passage of measure giving trolley companies the right of eminent domain so far as may be necessary for their successful building and operation, and the right to carry freight, as the Republican platform sets forth : "In order that the products of the fields and farms may reach the market at the least possible reach the market at the least possible eost and inconvenience." This legis-lation is demanded by farmers all over the State, and it is predicted that

A bill to prohibit mercantile ap-praisers holding any other Federal, State, county or city office, was recomended by the Republican State plat-

A law which will meet with the approval, as it will mean more money for local purposes, will be one to return to the counties all the personal property tax and license fees collected ein. This legislation is recom-ded by the Republican State con-

Other laws proposed by the Republican State platform embrace increased ons to public schools, hos-**Ditals and charitable institutions, and Top hospitals the separate care of the criminal insane, the erection of dis**pensaries, hospitals and sanitariums for the treatment of consumption and liberal appropriations for the construc-tion of public highways throughout

Boy Shot With Revolver.
