

THE AMERICAN CITIZEN.

Butler, Pa., Wednesday, Mar. 16, 1864.

ADJOURNED COURT.—An adjourned Court will be held in Butler, on Saturday, the 26th inst., at 8 o'clock, A. M., for the purpose of attending to the Road business of the county.

RECRUITS WANTED FOR SUMMIT TR.—A liberal local bounty will be paid to each person who will enlist, and be accepted by the proper authorities, to fill the quota of Summit township, Butler county, under the call of the President for 500,000 men.

Have you been at Weber & Tamm's store? If you have not, you should call without delay. This New Firm is now holding forth, on the corner of Main and Jefferson streets, in the Store room formerly occupied by Wm. S. & A. G. Boyd.

COMMUNICATIONS.—Correspondents of the Citizen will bear in mind the fact, that we invariably require the names of the writers or contributors, in this necessary, if they desire the publication of their contributions. We have several communications on hand, consisting of Poetry and Prose, some of which we had intended to publish this week, but the want of space would not permit. They will appear in our next.

The Draft.—There are a few districts in our county, that have not yet furnished their quota of men under the late call of the President. Do these districts intend to fill their respective quotas by procuring volunteers? If they do, it is about time that they were at work.

For the Citizen.

March, 10th and 11th, 1864.

The melancholy day has come, No more about 100 to roam; I cannot leave my quiet home, With all its joys and sorrows; The ceaseless patter of the rain, Has filled me with a stifling pain; The smoke level o'er the plain, Instead of upward soaring.

You can't go out; nor is this all, For a friend should chance to call, He leaves a track on side and hall, Most trying to your temper; But all in vain to tax the brain, The fill me with a stifling pain, The smoke level o'er the plain, Instead of upward soaring.

Political Horoscope.—The political skies have unexpectedly brightened. It is but a few days since an ugly split in the Union ranks was threatened by the over-zealous partisanship of a few of the prominent leaders of the Union party.

But, happily, the cloud is passing away. The "Chase movement" is practically at an end; the good sense of Mr. Chase and the good nature of Mr. Lincoln combined to prevent that apprehended rupture in their personal relations which would have embroiled Mr. Chase to retire from the Cabinet.

DEERTIONS FROM THE ARMY.—Previous to April, 1862, there was reported 78,454 desertions from the army being an average of 6,200 per month. In April, 1862, the Provost Marshal system was adopted, and since then the average desertions per month have been but 1,736. The total aggregate of desertions since the war broke out is 127,167—of which number 36,000 were enlisted men from New York; 15,389 from Pennsylvania; 12,488 from Ohio; 14,555 from Illinois; 5,200 from Kentucky; 4,878 from Missouri; 1,943 from Tennessee; 2,895 from Virginia; 1,659 from the District of Columbia, and smaller numbers from other States.

NEW LOYAL PAPER IN SOUTH CAROLINA.—A paper called the "Palmetto Herald" has just been started at Port Royal, S. C., by Wm. Mason & Co. It is unconditionally loyal, and promises to furnish a faithful record of all news, for publication in the Department of the South and among the fleets of the South Atlantic squadrons.

THE SPRING CAMPAIGN.—It is stated upon good authority that the Spring campaign will be opened as early as the 1st of April, and that it will be simultaneous along all points of the line. The veterans are now hurrying to the front from their furloughs, and many of the recent recruits have acquired steadiness enough to be trusted upon the battle field.

Arrival and Departure of Mails.—The mail from Butler to South West, by way of Port Royal, leaves Butler on Monday and Friday of each week, at 7 o'clock, p. m. Returns on Tuesday and Saturday of each week, at 7 o'clock, p. m.

GEN. GRANT'S POWERS.—A Washington telegram of Friday says:—Lieut. Gen. Grant returned from the front to-day, and departed almost immediately for Nashville, with plenary powers to organize the armies of the West, and South for victory. This work he will do upon the basis of the truly military idea of a concentration of forces.
