proper order, but never plow when it is very wet, as it only clogs and gives more trouble than if let alons for a dry spell.

Take advantage of the early part of the month to finished up making and mending fences, also, to finish making drains.

Clover may now be sown.—all the betten if ways and ensemble of the passions, through it is an active sovereign.

Clivist has set it free from the thrall of the passions, through it, and of tunult, when favoring opportunity in-Clover may now be sown.—all the better if upon a light snow, as the snow melting, carries the seed into the soil.

The passions, throned it, erowned it, and endowed it as his viceroy with authority over the will and the affections. The illustractive in the pomp of life; that is attractive in the pomp of life; Lay out your field for rotative crop- lumination of the spirit has given it quick pleads with his selfishiness until his will wrong. It is, therefore, a power in the converted soul, and can be relied upon in power within him. He thinks of his Sathe fierce conflicts which await every man in the great battle-fields of life. Of a man in whom conscience is thus enthron-

"Rather hope to shake
The mountain pine, whose twisting fibres class
The earth, deep rooted! Rather hope to shake
The Scythian Turns from his centual base," than to allure him into the forbidden paths which lead to ruin.

It has been firmly said by a poet, that man should think himself an act of God, and a thought, his life a breath of God. ich should try, by great thoughts and good deeds we the most of heaven he hath in him."

Another poet, writing of the human ul, has said . Immortal, what can strike the sense so str As this the soul? It thunders to the

redeemed, the belove I of God. think much of their immortal nature and

be dry, water in hiffs.

The crops that may generally be sown, are Windsor Beans, Beet, Carrot, Cress, Leck, Onion, Peas, Potatoes, Radish, Spinach, and early Carrot, Cress, Beek, Onton Yes, the states, Radish, Spinach, and early tatoes, Radish, Spinach, and tatoes, Radish, Spinach, Spina be likely to cast him-elf and his prospects polled in peace times. One thousand away for such momentary pleasures and otes were deposited in Murry counter. vided it be favorable.

THE ORCHARD.—Planting, transplanting, pruning and training should now be attended to.

away for such momentary pleasures and perishable possessions as make their appeal to the senses, appetites, and passions of men? Will he not rather repel such temptations with sheh questions as these: perishable possessions as make their appeal to the senses, appetites, and passions of men? Will he not rather repel such temptations with such questions as these: ow be attended to.

New planted fruit trees should be emptations with such questions as these:

"Shall I throw this immortal soul away well secured from the violence of the wind, by stakes, and be careful that they do not rub.

A good dressing of well-rotted manure will prove very beneficial to most bought by the precious blood of Jesus If you have not already done so, the planting of English Walnuts and Spanish Chesnuts will afford great protection to your orchard.

bought by the precious blood of Jesus Christ, and who am a child of God, degrade myself to the level of beasts and wicked angels?"

Now as a sinner you cannot be the pos-

In pruning, be sure to have graft-ing-wax to apply to the wound.

Now as a sinner you cannot be the pos-sessor of this self-respect either in kind or degree. You may have pride of charac LIVE STOCK.—This is a precarious degree. You may have pride of character, self-esteem, love of approbation, and month for stock. The change from the dried to the green food, and the a doubtful protection; but, unless you become pious, that powerful self-respect which springs from deep convictions of the Southern Confederacy we are the value of your spiritual nature cannot about to find a common I vel, where ness. A little shelter and gradual changing by feeding roots, will prevent great loss, and will prevent them be yours. Why it cannot is clear as a ont great loss, and will prevent them be yours. Why it cannot is clear as a sunbeam. For, so long as you are purpose. The maker of us all. He has not hereed to remain a sinner, you will necessarily the times are changed! It will remut all the thoughts of your immortal naand if lambs are dropped, must have mind as possible. Your human relations, your present pleasures, your earthly affairs, are and will be the chosen themes vest for poultry raisers. Fowls that of your thoughts, to the exclusion of those have been taken care of, will now be-ideas which are seens of true, saving selfgin to lay plentifully. But they must be fed with meat, grain, and executables to reap a full expression. The breeding, avoid the same stock in breeding, avoid the same stock character, becomes as linked armor to his

unable to leave his bed. Daily his peas-

with cream poured around it.

In this simple incident you see how affection moved that peasant boy to forget himself through strong desire to give pleasure to his friend. First, it led him to deny himself his usual out-door sports from woolen goods.

In this simple incident you see how affection moved that peasant boy to forget himself through strong desire to give pleasure to his friend. First, it led him to deny himself his usual out-door sports and confine himself to the sick chamber.

Staff of the army at Washington.

of his companion. Next, it gave wings to his feet when his sick playmate desired the wild flowers. And then it quieted The Field.

The work in this department now commences. The plow may now be put to work when the ground is in

Linked Armor for Tempted Young Souls.

Hence, in these examples you see the mouth of death. Was not his love a

and far reaching perceptions of right and trembles like a magnetic needle, then his viour, and his desire to please him grows so strong as to over power all other desires As the beloved image rises before his vision, his heart glows with the warmth of renewed affection, his will waxes strong, and he snaps the banks of temptation as Samson broke the cords with which the craft of Delilah had bound him. Animated by this love, he can do or not do, suffer r endure what would be impossible to his nature without it. If his love is deep and strong he can say with the holy RUTHERFORD: "If it were possible that heaven, yea, ten heavens, were laid in the balance with Christ, I would think the smell of his breath above them all.' With such a love, he can say with faith ful Paul: "I can do all things through Christ that strengthene h me.'

Thus you see, dear young friend, that ession of piety would endow you with a principle of power, of which it may be said, as David remarked of the sword of Goliah, "there is none like it," except, indeed, that direct help from God except, indeed, that direct help from God himself which a ways assists the disciples of Christ when engaged in their conflicts WILL attend to the prosecution of all claims for BOUNTY, BACK PAY, PENSIONS. with evil and the evil one.

(TO BE CONTINUED.) THE TENNESSEE ELECTION.—The returns of the Tennessee election which are coming in indicate the existence of an extensive Union sentity. This result is most gratifying, indicating as it does that the leaven

of repentance is working. New Loyal Paper in South Caro-Lina — A paper called the Palmetto Her-ald has just been started at Port-Royal, by S. W. Mason & Co. It is uncondi-tionally, loyal, and promises to furnish a faithful record of all news, proper for pub-lication, in the Department of the South and among the fleets of the South Atlan-tic scadrons.

Parson Brownlow, in his Knox-ville Whig and Rebel Ventilator. says of the Tennessee aristocracy: "Through the mercy of God, the firm-ness of Mr. Lincoln, and the madness we can at least boast that the Lord is
