ADMITTED TO THE BAR .- On Monday, the 28th inst., W. H. H. Riddle, was, on motion of E. M'Junkin, Esq., chairman of the examining committee, admitted to practice as an attorney, in the several Courts of Butler county. Mr. Riddle be ing present in Court, the oath was administered by Prothonotary Stoops.

Our readers are referred to the card of McElwain and Campbell, wholesale and retail dealers in *Grocers* and *Produce*, No. 164, Federal St., Allegheny City.— We bespeak for this firm, composed as it is. of men from our county, a fair share of patronage. Before purchasing elsewhere, call and examine the large and well assort ed stock of the above firm.

Great Show in Butler.

Something worth seeing, something to a wheel-barrow. If you desire to see our county fairs bear no comparison to it. Every body, old and young, rich and poor, 'should visit this establishment and see what and purchase a decent and substantial car-Coach Shop of George C. Roessing, on Regt. P. V.; Aaron Hughes, Co. Volunteering.

Since our last issue, the citizens of several of the sub-districts in the county, have been exerting themselves to fill their quotas under the last call for 200,000 men. Summit and Centre have, we are informed, filled their quotas under all the ealls; perhaps some others have done the same. There are but a few days remaining in which to act, in order to procure the large Government bounties. We would say to the citizens of the different districts of our county that have not yet filled their quotas, to improve the time still left diligently and faithfully. The Government has dealt leniently with us in this matter; tunity that could be desired to enable us and Government bounties. And when the first of April arrives, if we have not have to be content with our lot, and do, perhaps reluctantly, what we ought and might have done willingly and cheerfully.

Fire.

On last Tuesday about 12 o'clock an borough, which was occasioned by the fact that the residence of Rev. Wm. White, situated on high ground about three-fourths of a mile East of Butler was on fire.— The citizens of the borough and vicinity hastened to the place to assist in arresting if possible the devouring element. The fire broke out in the Eastern part of the kitchen and attached to the main building which is brick, there being a solid wall between the two, with the exception of one through the timely aid and exertions of those present saved entire. The kitchen or frame part was entirely consumed.—

The greater part of the furniture and other articles were removed from the main pose of effecting an organization, this personal son so appointed in each types of the purpose of effecting an organization, this personal son so appointed in each types of the several counties of the several counti building, while the other was on fire, and

Bounty Law.
In our issue of to-day, will be found an Act relating to the payment of bounties to volunteers, passed by the Pennsylvania Legislature, and approved by the Governor. We have given it a hasty and perhaps a superficial examination, and We will endeavor to keep our readers inopinion as to the act in all its parts, but there is one feature, or provision in this bill, which is entirely inapplicable to several of the sub-districts in this county, and in fact, in our humble opinion, it will amount almost to nothing anywhere; we

last Tuesday evening, for the purpose of interchanging views upon the subject of we have had ample time and every oppor- the Great Western Sanitary Fair, which is to be held at Pittsburgh sometime duto avoid a draft, by extending the time ring the first of next June. The main object of the meeting, was, to make arrangements for the purpose of beginning then furnished our quota of men, we will and at an early day perfecting an organization through the county, in order to carry out systematically the great, good, glorious and humane objects had in view Namely: the relief, comfort and health of the brave defenders of our Government, alarm of fire was given by the bells of the and its Heaven born and blood bought liberties. The meeting was organized by appointing Wm. Campbell, President, and Col. J. N. Purviance, and Watson J. Young, Esq., Secretaries. A letter addressed to Wm. Campbell, by the President of the Great Sanitary Fair to be held in Philadelphia, was read, soliciting the citizens of Butler county to co-operate building, being a small frame used as a with the organization at Philadelphia, where it is in contemplation to hold a great fair for the States of Pennsylvania, New Jersey, and Delaware, which is to be held door in the south-east corner, being the in and about the same time of that at door in the south-east corner, being the only communication or opening between the two apartments. If the provision with regard to the per capita tax had provided for the same, by empowering the proper authorities therein enumerated, to levy and collect a per capita tax of not less than \$5,00 nor more than \$20,00, it would, in our opinion, have been much better. any special committee, commissioner, or an individual or individuals, of any county, city, township, borough or ward, shall have subscribed and paid, or become personally liable for the payment of money, for the purpose of paying bounties to volunteers, under the late calls of the presianteers, under the late calls of the president of the United States, who have been mustered into the United States military. ervice, and credited to such county, city upon such county, city, township, borough, office at Harrisburg.
