FIRE.—A dwelling house belonging to John Johnston, of Jefferson township, was consumed by fire, on the 2d inst. It was the work of an incendiary, as the house had not been occupied for over a year.

☞ Our forces under the command of Gen. Banks, in Western Louisiana, after three days hard fighting, have gained a complete victory over the combined rebel forces.

☞ In our columns will be found General Order, No. 8, issued by Col. M. D. Hardin, commanding at Camp Reynolds, late Camp Copeland, requiring all soldiers who are now absent to report at said camp or the nearest Provost Marshal's office, before the 1st of May, or be considered deserters.

☞ The Local Bounty act for Butler Co., will be found in to-days paper. All property liable for tax for State and county purposes is made subject to bounty tax, as also, a per capita tax not exceeding Twenty-five Dollars on all persons subject to draft. The School Directors of the different sub-districts are clothed with full power and authority in the premises.

Godey's Magazine.

The May number of this excellent periodical is before us. It is truly, a welcome visitor. The Frontispiece "May Flowers" is a beautiful steel engraving. The Fashion cuts are emphatically Fashionable, superb and beautiful. In short, the whole number is replete with excellence.

LARGE PARSNEP.—Thos. Clark, of Worth township, informs us that he raised in his garden during the last season, a parsnep of the following dimensions and weight; composed of two branches or roots, one branch measured 23 inches, and the other 17 inches; circumference 17 inches, greatest diameter 6 inches, weight 4¼ pounds. Can any of our Butler county farmers produce a larger parsnep? If you can, let us hear from you.

The Citizen.

The readers of our paper were no doubt disappointed in not receiving the Citizen last week. In explanation we would say that; the reason for the seeming neglect and failure on our part originated from the fact, that there was no paper to be had in either of the Cities. We made every exertion in our power to procure a suffient quantity of paper for our issue, but signally failed. The loss is our own. We hope that the above will be a sufficient explanation. EDS.

Attention Farmers.

The season is near at hand, when you expect to plant your corn. If you desire to raise good crops and have well filled granaries, you should not fail to apply the proper fertilizers. Experience has demonstrated that Plaster Paris is one of the very best for corn, and for the sake of saving a few dollars, you should not run the risk of losing a good crop. See to it then, without delay. A good article of Plaster Paris, can be had at the Drug Store of J. C. Redick & Co., in Butler, Pa. If you wish to purchase, give them a call, and try the experiment, and when you reap your crop, you will no doubt, be thankful that you invested your money so profitably.

Notice,

Is hereby given to the boys, and would be *Young Men*, of the borough of Butler, that as we are under a solemn obligation to observe and execute the Laws of this Commonwealth, and also, the Laws of the borough of Butler, we do therefore intend to observe and execute said Laws without respect or partiality to any person or persons. Therefore, *Young men* and Boys, we advise you to take timely warning, and not be found gathered in groups, standing on the corners of the streets or elsewhere disturbing the peace and quiet of any of the Citizens, or preventing the free and undisturbed passage of goers and comers.

Signed, HIGH CONSTABLE.

☞ The High School located in Sunbury, Butler county, opened its Spring Session on Monday the 18th inst., under the superintendence of Professor Thomas H. Van Tries, formerly engaged as teacher in Tuscarora Academy, at Academia, Juniata county, Pennsylvania. Mr. Van Tries enters upon the duties of his present position with high recommendations as a scholar and teacher. This school has heretofore been a flourishing institution, and it is believed, that under the management and superintendence of the present professor it will continue to prosper even beyond the most sanguine expectations of its warmest friends and patrons.

On application of Rev. John Coulter, for a dissolution of the Pastoral relation existing between him and the churches of Concord, Pleasant Valley and Sunbury, the following resolutions were presented by Mr. J. W. Thorn, commissioner from the congregation of Sunbury, viz: At a meeting of the congregation of Sunbury, called for the purpose on the 29th of February, 1864, the following action was taken.

WHEREAS, Our venerable Pastor, Rev. John Coulter, has signified his intention to apply to Presbytery at their next meeting, to dissolve the pastoral relation existing between him and this congregation, and has requested us to agree to this dissolution, therefore,

Resolved, 1st. That we highly appreciate the spiritual advantages which we have enjoyed under his ministry, some of us about forty-one years.

Resolved, 2d. That during his long pastorage, he has ever been firm in his adherence to the doctrines of our church, upright in his example, earnest in declaring the messages of life, most attentive to the sick, bereaved, and afflicted, and faithful in every pastoral duty.

Resolved, 3d. That we concur in allowing an application for the pastoral relation to be dissolved, though we part with our aged Pastor, with sorrow; the most of us having been baptized by his hand, and trained up from childhood under his ministry.

Resolved, 4th. That, Concord and Pleasant Valley concurring, we agree to settle upon Rev. John Coulter, our proportion of an annuity of two hundred dollars, during his natural life, desiring him to preach to us whenever he shall be able and disposed to do so, and when the pulpit shall be unoccupied.

Commissioners from Concord and Pleasant Valley, were also heard, who stated that similar resolutions had been adopted by those congregations.

On motion, the pastoral relation between Rev. John Coulter and these churches, was dissolved.

Appropriate remarks on this action were made by Rev. R. B. Walker, Dr. Young, Rev. W. F. Kean, and Father McCurdy, Elder.

This request having been considered, Dr. Young, E. Ogden, Wm. Campbell, Philip Miller, and Wm. McGary, were appointed a committee to visit the ground named in the above petition, and, if in their judgment proper, to organize a rchurch; and the committee was instructed to proceed in the matter as soon as practicable.

Reports of committees on sessional Records were made, and the records were all approved.

Leave was granted to Mr. Josiah McPherrin, Licentiate, to labor for one year without the bounds of Presbytery.

The funds contributed by the churches for the expenses of Commissions to the General Assembly, and the contingent Fund, were now collected, which amounted to seventy-five dollars for the Commissioners and nineteen dollars for the contingent Fund.

THE report of Adjutant General Townsend relative to nine months men states that under the act of July 17, 1862, there were reiceved into the nine months class, eighty thousand and eighty-nine men, of whom sixty-one thousand two hundred and five were militia. Twenty-five thousand dollars in bounty were paid to volunteers accepted under the act. By mistake of musteriug officers and paymasters, bounties were paid to three thousand nine hundred and thirty-four Vermont nine months militia.

The Poles in London are completely on the *qui vive*, and seem to know more about what is going on than any of the newspapers. An influential man among them states that 80,000 stand of Enfield rifles are now being shipped on board of four vesels, in which from four to five thousand men will also be sent out, and that at the proper time Prince Napoleon will be proclaimed King of Poland. They say that it has all been "squared" with Austria, who, in her usual loyal manner, is to leave Prussia in the lurch. and has expressed her willingness to give up Galicia for a consideration.

Which bloomed and cheered my heart,
Fair, fleeting comfort of an hour,
How soon we're called to part!

And shall my bleeding heart arraign
That God, whose ways are love?
Or vainly cherish anxious pain
For *her* who rests above?

No!—let me rather humbly pay
Obedience to his will,
And with my inmost spirit say,
"The Lord is righteous still."

From adverse blasts, and lowering storms,
Her favored soul He bore;
And with yon bright, angelic forms,
She lives, to die no more.

Why should I vex my heart, or fast?
No more *she'll* visit me;
My child will mount to her at last,
And there my child I'll see."
