naturally lazy. MORE CRUELTY, AND WORSE .- Intelligent men, who have escaped from the upper counties of East Tennessee, within the past week, say that the rebels, in addition to robbing families of their grain, of their stock, plundering their houses and setting fire to them, are actually, in and setting the bound is at account, in many instances, stripping decount Union women, old and young, of every vestage of elothing they have on, and then turn round taunt them, and blackguard them. Let these imps of hell die most ignomin-ious deaths when they fall into the hands of our soldiers. Let the robel families in of our soldiers their neighborhoods, who have pointed out these women as the wives, sisters, and mothers of men in the Lincoln army, re-gret the day in which they were born. We will endorse our soldiers in putting them to death by any modes that cruity can invent. We must turn over a new mode in Percention of the Afternoon. can invent. We must turn over a new leaf in East Tennessee, and we must do it at once.
