TEACHER WANTED .- A good experienced school toacher can find employmen tor three months by applying to the subscriber in Penn township.

WM CALDWELL.

The Tribune Almanac for 1866. is on our table. It more than sustains its well earned name as a complete compendium of political events. Every in telligent citizen should have a copy for

political reference.

Some "Democratic friend," name known, has for warded us a communication on "Justice." The absence of the name of the contributer itself would prevent the appearance of this article, besides this, the debate has been fitly closed and we therefore decline re-opening it; let all go to work in behalf of the

In to day's paper will be found the advertisement for the ensuing term of the High Scho l in Prospect. We understand that the Principal, Rev. J. J Rockwell, is an experienced teacher .-Any one wishing further particulars should address him at Prospect, Butler Co., Pa.

tos Congress is again in session, and we may soon expect to see that body address itself to its high duties with some diligence. No higher duties ever devolved upon any Legislative body since the world began, than those which are to be passed upon by the present Con-That it may be equal to the task is the wish of all true patriots.

A lengthy communication will be found in our paper this week, from our old neighbor, "Americus." We have hastily glanced over it but have no room to examine it at length at present. It is said of Reynard that, when he is apprehensive of pursuit, he frequently crosses and re-crosses his own path for the purpose of the more effectually baffling pursuit It seems to us "Americus" has acted somewhat upon this principle. But we may examine it more at length next

DEATH OF DR. McJUNKIN .- In another column we publish a notice of the Death of Dr. Isaiah McJunkin, who died at Chicago on the 22nd of last month. His remains were brought here for burial. Dr. McJunkin a practising physician in this place for about fifteen years. In the year 1858, he removed West, and took up the practice of his profession in Chicago, where he continued until his death. He was eminently skillful death. He was eminently skillful death. Send for circular Address Peters 1 and in the larger sphere for the display of his splendid abilities which Chicago which ranked him with the foremost of his profession. For evidence of his no his profession. For evidence of his no-bleness of character and genuine Chris-tian virtues, we hav them with us in abundance. For his generosity and true charity many will long bless his memory. Peace to his ashes.—Union Herald.

The Butler American,--Final Notice to Delinquents,

Several months have elapsed since I discontinued the publication of the American, and I have made several appeals to delinquent subscribers and dvertise's to settle their accounts. Quite a number honorably responded to these calls; but most have failed to do so. This final notice is now given that unless payments are made within ten days, I will commence bringing suit.

WM. HASLETT.

The following Card of Professor Brugh, formerly Professor of Natural Science, in Washington College-nov Principal of the Institute of this place, is valuable as an indorsement of the merits of Johnson's Atlas. We recomm it to all who desire a complete and relia-

BUTLER, Dec. 28, 1865. I have used Johnson's New Illustra-ted family Atlas for the past five years, and have found it invaluable as a work of reference, and can cheerfully recommend

it to all persons needing such a work.
