Base Ball.

On Thursday, June 28th, a friendly game of Base Ball was played between the first nines of the Sherman Base Ball Club of Freeport, Pa, and the Keystone Base Ball Club of Butler, on the grounds of the latter just West of the borough. Quite a crowd of spectators both ladies and gentlemen were present, who evinced great interest in the game. This is the great interest in the game. This is the first game played with any club outside of the county. Each member of the Keystone strove to make the stay of the Sherman nine as pleasant as possible and both clubs parted mutually satisfied with each other. A return game will be played about the middle of this mouth, on the grounds of the Sherman club, in Freeport. The following is the score of the game:—

A New and Grand Fpoch in Medicine! SPRING & SUMMER dry coods

WE ARE NOW OFFEEING ONE OF THE LARGEST AND MOST COMPLETE STOCKS OF of his extraordinary Pills, and cures the most virulent sores with a box or so of his wonderful and all-healing Salve. These two great specifies of the Doctor are fast superseding all the sterootyped northums of the day. Extraordinary cures by Maggiel's Pills and Salve have opened the eyes of the public to the inefficiency of the (so called) remedies of others, and upon which people have so long blindly depended. Maggiel's Pills are not of the class that swallowed by the dozen, and of which every box full taken creates an absolute necessity for another. One of DRESS GOODS, assimeres, Tweeds, Musline. There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble, it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. Ulcerous and eruptive disoases
