DICKEN'N CHRISTMAS STORY IN Every New Grocery Store.

John A. Sedwick and John Thomas, have started a new grocery Store, on the corner of Main and Jefferson Streets, opposite Jack's Hotel. in the large of Every Saturday.

DICKEN'N CHRISTMAS STORY IN Eccept Saturday.—"Mugby Junetion," Dicken's Christmas Story for 1866, is published complete in the 50th number of Every Saturday. en's contribution to the story this year occupies a larger portion of the volume than usual, it is safe to predict that "Mugby Junction" will prove even more popular than any of its predecessors. The first four tales in the collection are from the pen of the inimitable "Boz" These episodes are written in the author's hap piest vein. Many of the characters in troduced to the render will at once take their places in literature besides such im mortal creations as "Mr. Pickwick," "Lit. tle Nell." "the Marchioness." and "Oliver Twist." The sketch entitled "Barbox Brothers," is one of those delicious lessons which Dickens teaches soudmira bly. No one cap read it without strength "Young Jackson," Phoebe," and "Lamp with his periodical "rounders," becom our personal friends immediately. "Little Polly," the lost child, whose name is not Trivits is a conception as charming ded his course of Lectures on Urino-Pa-thology in the "Philadelphia University" as anything in that marvelous series of novels which we are never weary of perusing. The whimsical description of the REFRESHMENT ROOM, with the stale pastry, and poor Mr. Swift, will make Mughy "Junction" a favorite stopping place this year for many a delighted reader. This story appears in EVERY SATURDAY, seven days' previous to its up pearance in Ingland. The publishers evidently intend, by such enterprise, to give the readers of EVERY SATURDAY more promptly than they can obtain from tractive of the good things in European Periodicals.
