A New and Grand Epech in Medicine DR. MAGGIEL is the founder of a new Medical System! The quantitarians, whose vast internal doses enfecble the stomach and paralyze the bowels, must stomach and paralyze the bower, must give precedence to the man who senteres health and appetite, with from one to two of his extraordinary Pills, and cures the most virulent sores with a box or so of his wenderful and all-healing Salve. These two great specifies of the Doctor are fast two great specifics of the Doctor are fast two great specifies of the Doctor are fast superseding all the stereotyped nostrums of the day. Extraordinary cures by Maggiel's Pills and Salve have opened the great of the public to the inefficiency the eyes of the public to the inefficiency ians .- Pitts. Maggiel's Pills are not of the, a minute, twice in a moment, and not class that swallowed by the dozen, and oace in a hundred years? The letter M. of which every box full taken creates an MARREDD. absolute necessity for another. One or two of Maggiel's Pills suffices to place the bowels in perfect order, tone the stomach, rceates an appetite, and reader the spirits light and buoyant ! There is no griping and no reaction in the form of constipation. If the liver is affected, its func tions are restored; and if the nervous system is feeble, it is invigorated. This last quality makes the medicines very desirable for the wants of delicate fe males. Ulcerous and eruptive diseases are literally extinguished by the discnfectant power of Maggiel's Salve. In fact, it is here announced that MAGGIEL's BILIOUS, DYSPEPTIC AND DIARRHEA PILLS cure where all others fail. While for Burns, Scalds, Chilblains, Cuts and all abrasions of the skin, MAGGIEL''S SALVE is infalliable. Sold by J. MAG-GIEL 48 Fulton Street, New York, and

No vote has yet been reached on the final passage of the New Tarial Bill .-Stevens' Enabling Act has by a vote of 88 to 65 been recommitted to the Committee on Reconstruction, which many of its friends think equivalent to its defeat .--Mr. Ashly gave notice on Saturday, that if this Congress did not agree on a Reconstruction bill, he should insist that the fortieth Congress should remain in session until one would be passed.
