THE LADIES' FRIEND!

"Ne Plus Ultra Washer."

IT IS AN UNDENIABLE FACT THAT THE GREAT Western Washing Machine of the age. The "Ne Plus Ultra," invented by James Adams of Janesville, Wisconsin, did take the first premium at the Wisconsin State Fair, in 1863, over twelve competitors. Also, at the Minnesota State Fair over seven competitors. In Ohio it has taken the premium in Andover, Jefferson, Ashtabula, Columbia, Erie and Trumbull counties.

The machine recommends it-elf to the common sense of every person, because it is constructed on common sense principles.

It combines all the benefits of the Wash-board and Fulling Mill. It rubs, presses, and thoroughly washes the clothes at the same time. The ingenuity of the invention can only be appreciated by those who have seen and examined for themselves.

The labor of washing is made a pass-time. The pendant frame and spiral roller may be worked by a child twelve years old.

The Ne Plus Ultra will wash quicker and cleaner than any other machine. Will wash clean the dirtiest COLLARS and WRISTBANDS without any hand rubbing. Will wash every thing from a collar to a bedquilt. Makes no slop—has a wringer attachment. Is neat and durable. Saves twice the price of itself in the wear and tear of clothes in six months. Takes but little water and saves soap.

We have purchased the right of this machine for part of Butler County, because we consider the machine a

PUBLIC BENEFACTOR

Time, Health, Money, Clothes,

AND VINDICATES

WOMAN'S RIGHTS.

Woman is left by mere drudgery to wash the clothes that men soil with their Reaping, Mowing, and Threshing machines.

American ladies will not long tolerate such an unequal division of labor. A washing machine is destined soon to adorn the parlor of every family. If you can find a better, we do not want you to buy the

NE PLUS ULTRA.

We can show any amount of testimonials, but prefer you should examine for yourself.

TESTIMONIALS:

BUTLER, February 25, 1867.

The Ne Plus Ultra washed at my hotel. It rendered perfect satisfaction. Washes clean, saves clothes, time and money. JORDAN EYTH.

BUTLER, February 25, 1867.

The Ne Plus Ultra washed at my hotel. I can recommend it as the best machine I ever tried. It washes clean and works easy.

WILLIAM VOGELEY.

BUTLER TOWNSHIP, February 25 1867.

I have tried several washing machines, and have found the Ne Plus Ultra to be the only one giving satisfaction. I have gone to Butler three times for this machine, with my team, to do my washing, and consider it pays me, even at that inconvenience. I have ordered one, and can recommend them to any person wishing a perfect washer. J. L. MAXWELL.

OFFICE OF THE NATION, 132 NASSAU-ST., N. Y., November 15, 1866.

THE NATION NEWSPAPER WAS ESTABLISHED, now more than a year ago, as an essay toward creating a higher standard of public discussion and literary criticism than had been customary, especially in the daily press, and, while maintaining the fundamental principles of our republicanism, to be independent of parties and sects of whatever name. That it has been successful in this design is proved by the abundant and almost enthusiastic testimony of the most competent judges, and by the rank which it assumed and has held nearly from the start.

If the aim of its proprietors were self gratulation, they might be content with this; but they desire to exercise a wider influence, not only on the people at large, but especially upon the young, and, as auxillary in both cases, upon those whose profession is teaching—in the school-house, the pulpit, at the bar, in the legislature. They have accordingly determined to offer an inducement to those classes especially, but not exclusively, to read THE NATION themselves and to procure subscribers for it.

One week after the first day of July, 1867, they will pay a premium of

ONE THOUSAND DOLLARS

to the person who shall, between the present time and the date above mentioned, have forwarded to this office the largest number of new subscriptions EXCEEDING ONE HUNDRED; provided, that each subscription shall be for a full year, (beginning with any number,) and that there shall be at least twenty competitors for the premium.

If there be fewer than twenty competitors, but at least ten,

FIVE HUNDRED DOLLARS

will be awarded to the most successful.

In cases of a tie, the order of time of receipt shall decide; and nothing sent after June 30, 1867, or received after July 7, will be allowed in the decision.

A commission of fifty cents, on account, will be allowed for each subscriber as forwarded, to be retained by the person sending the name and subscription price; and the first ten subscribers will entitle the canvasser to a copy of The Nation for one year, besides.

The attention of law, medical, and theological students in particular is called to this opportunity, which adds to positive reward for exertion the chance of a very considerable occasion to their resources.

INSTRUCTIONS:

Every competitor should announce his intention with the first subscription forwarded, and should number each subsequent sending.

For $4 50, a receipt in full ($5) will be sent from this office directly to the person indicated.

Write legib ly all parts of the address.

The address of the person awarded the premium will be promptly for warded to each competitor.

THE NATION is a weekly journal containing Literary, Artistic, and Scientific Intelligence, criticisms of Books, Pictures and Music, Foreign Correspondence, and deliberate comments on the Political and Social topics of the day.
