## IMPORTANT TO YOUNG MEN AND

TEACHEBS.

Kreey young man, whaiever may be his future calling in life, will find a thercury and practical business cou-cation his greatest aid to success. Such a course may be had by all, as the expense and time accessry for a thorough preparation can readily be spared from the sarrings of every industricus youth in the country. Three months only are necessary for a preparation that shall introduce any farmer's son, teacher or mechanic, find a business positien that shall being him a good salary, and that may lead him on to a business success. At Philadelphia, Pa., a system of ingtrying has been introduced into J. O. Mamford's Dusiness and Telegraph College that junyties thoroughly practical, had work a introduced into J. C. Mymford's Dusinesi and Telegraph College that must be thoroughly proteined, and work a revolution in commercial instruction is all schools hav-ing pupils enough so that it may be introduced. Us-fortunniely this system of instruction can only be car ried out in few of the alarger schools in the United States, as it requires for its successful operation a great number of students in daily ablendance. This course is receiving the encouragement and enthusiastic sup-port of the leading business men and educators through.

The monthly meeting of the But, in the Court room, on Friday eve-1869." The members from Lawronce ning at 7 o'clock. Rev. J. D. Leggit and others will address the meeting. All the members of the League are requested to be present. The at five o'clock.

public are cordially invited to attend. Temperates Lecture A lecture on the subject of Temperance will be delivered by the Rev. J. A. Davidson, in the Court, Room, in Butler, on Monday evening, the 8th of April, at 7 o'clock. The friends of temperance and the public generally are respectfully invited to attend.

What shall we say about it ? Why, boys and girls, the best plan is to buy a copy for 15 cents, or subscribe. If we would put a column in type, it could not tell all the good things it contains. It is the best Child's Magazine published. Office, 473 Broadway, N. Y. Price, \$1,50 per year.

Barper's Measure. The April number of this splendid periodical is before us. It is a welcome visitor. It is useless to particularize. It is replete with interest. The best recommendation it

can have, is a perusal of its contents. Price \$4,00 per year. Address, Harper & Brothers, Franklin Square, New York.

& fentle Wouthly

The April number, if possible, ex-cels anything that has preceded it. The composition is original and full of interest. It is one of the cheapest and best magazines published .-Subscription price, \$4,00 per year. Address, Ticknor & Fields, 124 Tremont St., Boston.

Godey's Ladyis Book. The April number of this maga-

zine, for beauty and variety of embellishment, has no superior. The literary matter is furnished by such writers as Marion Harland, (whose last work-"Sunnybrook"-stamps her as the best living American writer.) Price \$3 00 per year. Ad-dress, L. A. Godey, N. E. Corner of 6th and Chestnut Sts., Phila. Lady's Friend for April.

This ever welcome periodical, for the month of April, is on our table. The engravings are, as usual, elegant perienced writers. A beautiful Steel Bagraving, called "One of Life's Happy Hours," will be sent gratis every person sending a club. Price, \$2,50 per year. Address, Deacon & Peterson, 319 Walnut St., Phila.

The April number of this excellent family magazine is full of interest. The plates and illustrations are not excelled. The contents are others, they should scrutinize self ; interesting and instructive. The an 1 at least, be sure that their own "Other World," by Mrs. Harriet characters are unimpeachable. "Peo-Beecher Stowe, "Your Mission," ple who live in glass houses should "Simple Trusting," and several other not throw stones." TRUTH. are found in this number. Every family should have this magazine. Price \$2,50 per year. Address T. S. Arthurs & Co., 609 & 811 Chestnut St., Phila. Witherspeen Institute. The full and winter term of this flourishing institution has just closed. The attendance has been larger than at any time heretofore. The building has been enlarged an 1 improved. The Trustees are determined to make this one of the first educational Institutions in our country. Prof. W. I. Brugh, is an experienced educaerly Professor of Natural Science in most right, containing and the second he encounters and works out inde-personal experience. When a man graduates from this college, he has. In preparing to do business actually done business for some time, and graduating is little else than the change from one office to another. would do well to attend this school. A rrangements are now, such that quite a number of young ladies can board with the Principal. Boarding can be had at reasonable rates at Public, or Private houses. The next mession will commence on Monday, the 15th of April.
