

THE AMERICAN CITIZEN.

Butler, Pa., Wednesday, July 3, 1867

Paper.

Owing to the fact that our hands desire to keep the 4th, and enjoy a few days of pleasure and recreation, we will not issue a paper next week.

Accidents.

Mr. William H. Morrison, of Penn township, this county, while assisting at the raising of a large frame barn, on the farm of Wilson Graham, in Penn township, had his left leg broken by a heavy piece of timber falling on him. He was doing well at last accounts.

J. D. Fair, of Jefferson township, on the same day, and at the same place, was slightly injured on the left thigh by a stroke he got from a pike-pole thrown on him.

A Practical Business College.

The Iron City College is an institution that can not be too warmly commended. It is a thoroughly organized, efficiently officered and admirably adapted practical Business College, without a rival in all its peculiar features, as the most casual visitor to its well appointed halls, will discover at a glance. The great value of its system of Actual Business training can not be fully realized until one has had an opportunity to carefully inspect its workings. We have no hesitation in saying that a more thoroughly efficient practical business college can not be found in the United States.—Pittsburgh Commercial.

The Lady's Friends.

The July number of this magazine opens with a steel plate of unusual interest—a lovely Cinderella, sitting sad and neglected, by the kitchen fire, her haughty sisters disappearing through the doorway. The colored Fashion Plate, as usual, is an elegant and faithful transcript of the prevailing modes; and the wood cuts, illustrating articles of dress, and teaching fancy work, must be of great value to the ladies. A beautiful steel engraving will be sent gratis to every (\$2.50) subscriber, and to every person sending a club. Address Deacon & Peterson, 319 Walnut street, Philadelphia.

Secret Service.

We have just received from P. Garrett & Co., 702 Chestnut street, Philadelphia, the interesting work entitled "The History of the Secret Service," making over 700 pages, neatly bound in leather. A splendid steel engraving of Gen. L. C. Baker is given. The paper is good, and the print is excellent. It is an interesting work, and will no doubt be widely circulated. Good, active agents, are wanted in every county. Price of work, in fine cloth, \$5.00 per copy; in leather, (library style) \$6.00.

Our Boys and Girls.

For July 6th, which is the first number of the new volume, appears enlarged and improved. It contains a beautiful portrait of Oliver Optic, and the first two chapters of a new story by him—entitled "Breaking Away, or the Fortunes of a Student;" a story by Oliver Logan; "Life in India," by a lady who was born and resided many years there. Published by Lee & Shepherd, Boston, \$2.50 a year, \$1.25 for six months. The publishers offer to send a copy free to any boy or girl who will write to them for it.

The Herald of Health.

For July, besides its usual attractions, has a most elaborate article on "The Deaf and Dumb," referring particularly to the causes which produce this condition, and show how they may be avoided; also, what has been done and can be done to educate and ameliorate their condition. It will be found interesting and instructive to all classes of readers. It will be sent for \$2 a year; 20 cents a number. Address Miller, Wood & Co., No. 15 Light street, New York.

If any of our readers are prematurely gray or are troubled with falling of the hair, dandruff or itching of the scalp, they have only to use Ring's Vegetable Ambrosia, and their trouble will soon be over. The preparation is not only a restorer of gray hair, but one of the most elegant hair dressings we have ever seen. It also by softening and invigorating the hair prevents premature baldness and in many cases restores hair to bald heads.

Swimming.

We have been credibly informed that boys and young men are in the habit of going in the creek to swim on the Sabbath day in the immediate vicinity of Butler. This should not be done. If it is not stopped, those offending, will be arrested and dealt with as provided by law.

Arthur's Home Magazine.

This valuable monthly for July is before us. The steel engraving entitled "The Wreck" is beautiful. It is a welcome visitor. Now is the time to subscribe. The July number is the first of volume 30. Address T. S. Arthur & Co., 811 Chestnut street, Phila.

Children's Month.

This is one of the best monthly periodicals now published for children. If read, it will be appreciated. Address T. S. Arthur & Son, 809 & 811 Chestnut St., Philadelphia.

To Our Patron.

Our National Sabbath is at hand. We wish our readers a happy time. Celebrations, pic-nics and social gatherings will be held in different parts of our country. We hope to hear of everything passing off harmoniously, and in such a manner as to reflect credit upon the intelligence and Christian character of our people. Will some one, at each of the gatherings, be kind enough to furnish us with a short sketch of the proceedings for publication?

The Swatt trial is still progressing. It has already lasted eighteen days and the evidence for the prosecution has not yet closed.

Lively times in New Orleans may be expected should Governor Wells attempt to carry into execution his threat to treat Floridians as usurpers.

Concert.

A vocal and instrumental concert will be given in the Court-house on the evening of the 5th of July next, by the pupils of Wm. R. Colbert.

This, no doubt, will be a rich entertainment. The lovers of music, and the public generally, should make their calculations to be present on the occasion. "The music charms us last on earth, and greets us first in Heaven." The singing of sweet, select music, is certainly very entertaining, and the old and young could not spend the evening more appropriately than by attending the concert.

Notice will be given by printed bills and programmes. [June 12—4w.]

Rumors are again current that Sheridan is to be removed. If Mr. Johnson had not repeatedly shown himself capable of every conceivable form of political suicide, we should be slow to believe them. The gallant soldier in New Orleans has achieved a new title to popular gratitude by the act which is the cause of his reported disgrace, and the people will be less patient than ever before of any wrong that may be done him.

DIED.

LORDAN—On the 29th of June, at his residence in Penn township, this county, Mr. William Logan, in the 80th year of his age.
