Mrs. Wheeler, Stoncham, Mass.

I very condinently and earnestly recommend Dr. J.
W. Poland's Humor Doctor as an excellent remedy for
humors, having been wonderfully remedied by it myself.
My own case was a very sovere and obstinate one. For
score than two yearstile-skin upon the inside of both
my hands, and even down to my wrist, was constantly
my hands in any kinds of wet work, and was
obliged to wear gloves in sewing to avoid getting blood
upon my work. The humor which so afflicted me was
probably a combination of Erysiplesa and Sait Rhéum.
My general health was quite poor. Soon after I began
to use the Humor Doctor I could perceive signs of healcured. My hands are now perfectly free from humors,
and to all appearances my whole system is clear of it,
and has sheen for several months. I used eight bottles
before I felt safe to give it up entirely, but they cured
me.
