"Having had one of Grover & Baker's Machines in motamily for nearly a year and a-half, I take pleasure in commending it as every way reliable for the purpose for which it is designed—Family Bewing." Mrs. Joshus Lawrett, onfe of Rev. Dr. Lawritt, Editor of N. Y. Inde-

"After trying several different good machines, I preferred jours, on account of its simplicity, and the perfect case with which it is managed, as well as the strongth and duriability of the seam. After long experience, I feel competent to meak in this manner, and to considently recommend it for every variety of family avering." Are E. B. Speener, says of the Editor of Branklyn Ster.

"I have used a GROVER & BARER Sewie vMachine for fwo years, and have found it adapted to al kinds of tam ity sewing, from Cambrie to Broadcloth. Garments have been worn out without the giving way of a stitch. The Machine is easily kept in order, and easily used."—Mrs A. B. Whapple, mys of Rev. Geo. Whipple, New York "Your 'ewing Machine has been in use in my family the past two years, and the indica request me to give you their tastimonian to the perfect adaptedness, as well as labor-aering qualities in the performance of family and household sewing."—Robert Boorman, New York. "For several months we have used Grover & Baker a Sewing Machine, and have come to the conclusion that every fiely who desires her sewing beautifully and quette done, would be most fortunate in possessing one of those reliable and indefstigable "from needle-woman," whose combined qualities of beauty, strength, and simplicity, are invaluable."—J. W. Morris, dang hier of Gen. Geo. I' Morris, Editor of the Home Journal.

Extract of a letter from Thos. R. LEAVITT, Rsq., an American gentleman, now resident in Sydney, New South Water, dated January 12, 1858; "I had a tent made in Melbourne, in 1853, in which there were over three thousand yards of sewing done with one of Grover & Baker's Machines, and a single seam of that has outstood all the double means sewed by sailors with a needle and twine."

"I take pressure in mying, that he wrover a near-sewing Machines have more than sustained my expecta-tion. After trying and returning others, I have three of them in operation is my different places, and, after four year's trial, have no fault to find."—J. H. Hemmond Senator of Senat Carolina. "My wife has had one of Grover & Baker's Family Sewing Machines for some time, and I am estimied it is one of the best fabor-saving machines that has been invented.—I take much pleasure in recommending it to the public.—J. G. Harris, Governor of Transcess.

"I think it by far the best patent in use. This Machine can be adapted from the finest cambric to the heaviest cassinger. It sews stronger, faster, and more beautifully than one can imagine. If mine could not be replaced, money could not buy it."—Mrs. J. G. Brown, Naskettle Trans.

"We find this Machine to work to our satisfaction, and with pleasure recommend it to the public, as we believe the Griver & Baker to be the best Sewing Machine in use." — Deary Brothers, Allisonia, Tenn.

"I take pleasure in certifying to the utility of the Grover & Haker Sewing Machinea. I have used one on almost every description of work for mooths, and find it much stronger and better in every respect than work done in hand."—Mrs. D. W. Wheeler, Nashnille, Tran.

"The Grover & Baker Sewing Machine works admirably I think the united and work for superior to that of any Sewing Machine I eversaw. On fine work, I think I Machine would be hard to beat."—W. J. Darne, Mampho,

"It gives me pleasure to find the Grover & Baker Sewing Machine giving an inneb satisfaction. I have it in constantiuse, and find it all that could be desired. It is the most simple and durable machine in use, and I beartily out simple and durable machine in use, and commend it."-F M Phile, Memphis, Iran. "Having seen, examined, and used many other kinds of Sewing Machinea. I feel free to say that the Grover & Ba-ker Machines are far superfor to all others in use "- M François Seltz, Nachville, Tenn.
