GROVER & BAKER'S CELEBRATED FAMILY SEWING MACHINES.

NEW STYLES - Prices from \$50 to \$125. Extra Charge \$5 for New York.

495 BROADWAY, NEW YORK.

These Machines are from two species, as purchased from the store, requiring no winding of thread; they sew, pull, gather, and stitch in a superior style, including each seam by their own operation, without recourse to the hand-needle, as is required by other machines.

They will sew and clear sewing from a muslin to a heavy cloth, and will sew on a variety of materials, even the best of the work for the most delicate and difficult, as well as the most common and ordinary work, and are, in every respect, the best of the kind in the market for family use, on account of their simplicity, durability, ease of management, and adaptation to all varieties of family sewing.

As evidence of the unquestioned superiority of their Machines, the Grover & Baker Sewing Machine Co. have had the honor to be selected by the following TESTIMONIALS.

"Having had one of Grover & Baker's Sewing Machines in my family for nearly a year and a half, I take pleasure in commending it to every family requiring the purchase of a Sewing Machine, as it is well adapted for the purpose, and is the best of the kind in the market for family use."

"I consider myself delighted with your Sewing Machine, which has been in my family for many months. It is well adapted for the purpose, and is the best of the kind in the market for family use."
