HOSTETTER'S STOMACH BITTERS.

this of the mas at 1802. Det home to this country a preparation hearing his same, which is not a new medicine, but one that has been ried for years, giving satisfaction to all who have used it. The littless operate powerfully on the Stomach, Bowels and Liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to tiumph over disease.

For the cure of Dysuppais, indigestion, Nanaca, Flatning, Loss of Appetite, or any Billions Complaints, arising from a morbed inaction of the Stomach or Bowels, producing Cramps, Ity sintery, Colic, Cholera Morbus, &c., these littlers have no equal.

Distribous, Dysintery or Flux, no generally contracted by new settlers, and caused principally by the change of

Distriboes, Dysintery or Firx, no generally contracted by new settiers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is prophly more prevalent, in all its varied forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cared without fall by using HOSTETTER'S For this disease every physician with recommend Bitters of some kind; then why not use an article known to be infulfible? All nations have their ditters, as a preventative of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germann, from whom this preparation emanated, be-

ail there is not to be found a more healthy people than
the Germans, from whom this preparation emanated, besed upon scientific experiments which have moded to
prove the value of this great preparation in the scale of
medical science.

Favish and August — This trying and provoking disease,
which have its reientless grasp on the body of man, reducing him to a mere shadow is a short time, and rendering
him physically and mentally underse, can be driven from
the body by the use of HOSTEFTER'S RENOWNED BITTARS. Worther, more of the above stated diseases can be

as and sleep and healthy digestion, the complaint is removed as speculity as a consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an endeethed constitution and infarm body, these littlers are invaluable as a restorative of strength and vigor, and need only be tired to be appreciated. And to a mother while no sing these critters are indispensable, especially where a condition, such as flowletter; although the fitter, is needed to impact temperary strength and vigor to the system. Loudius should by all means try this remedy for all cases a delaifity, and, softre as delay, should ask their production, who, if he is acquainted with the virtue of the litter, will recomme oil their use in all cases of weakness.

LAUTION—We cantion the public against using any of the many limitations or counterfeits, but ask for Houstiter's those nor the side of the bottle, and stamped on the metallic cap covering the core, and observe that our autograph signature is on the dabet.

THE GREAT WONDER OF THE NINETEENTH CENTURY

PROFESSOR WOOD'S HAIR RESTORATIVE.

Below, se publish a letter to Dr. Weed, at this city appears a peritar in Maine, which speaks glowingly of the lare tits effect, when soming from a reliable series, appearing merits of his bair toric. Such orthogonal control have its effect, when soming from a reliable series, in cominms, nor necless puffery from the press. BATH, MAINE, Jan. 20, 1844 Strofessor O. J. Wood & Co.: Professor O. J. Wood & Ch.,
GENTLEMEN: Having my attention called a two manuals since to the highly beneficial efforts of your hair restartive, I was induced to make application of it upon my en hair, which had become quite gray, probably one-that three months since I proqued a bettle of) our hair rule had wished. I need it about twice a weak. Here me the had the first of which I have use proving what is procured another bottle of which I have use some can now certify to the wird that the gray or white har my hair has resumed its natural color, and I wilsre need not an edge of the province of the wird that the gray or white har soft and gle say than it has been before for treaty-frequent. I am now sixty years old; my good wife at the age of fifty-two, has used it with some about.

The above notice I deem due to you for your minute discovery. I am assumed that wheever will rightly in as per directions, will not have occasion to contradict my for the last fifteen years, and an known to make the as per directions, will not have occasion to contradict my statements. I am a citizen of this city and a restoact by for the last fitteen years; and am known tensority every one here and adjoining towns. Any use you may not the above with my name attached, is at your served as I wish to preserve the beauties of mature in others as well as my self. I am straity, yours,

A. C. RATROND.

A. C. HAYROED.
