In North Carolina many combustibility. On a light having been applied to the crinoline, the part of it which had not been steeped in the solution was at once enveloped in flames, but the only effect which the light had on the other part was to char it. This was considered a satisfactory experiment and it was stated that as ammonia was only 2d per pound, it was accessible to the humblest class. It was stated that the crinoline used in the royal establishment was steeped in totally different solution, but that its cost prevented its general use, and that the cheaper so lution was equally efficacious.

It will prumptly leases the Cough and shorten its course one-half from its ordinary tedious duration. For resoving irritation from the lange and air passages, it is unequalled in its operation—its use invigerates the primonary organs and greatly strengthens the voice, thereby enabling many people to colarry greater exposure without series are smalls. Read the following evidence from a host of Rrie county witheresse who have used this medicine, such testimony speaks for itself.

We, the underrigated eithers of Rrie City and vicinity, have used Dr. P. Hall's Celebrated Cough Remedy with great success, in curing diseases of the Throat and Lungs, and take pleasure in recommending its use to the afflicted as a speedy and effectual remedy, full worthy of public confidence.
