Worms and Worm Fever.

MEDICINES that are strong, acrid and heating to the stomach, when given to children suffering with Worms, only increase the Fever, and render the child restless and uncomfortable. Medicines proper in such cases, should combine with a Worm Antidote or destroyer, such others as will open the pores of the skin, and operate mildly on the *Liver, Bowels and Kidneys*, and thus aid nature in ridding the system through its natural channels of whatever obstructs its action, or poisons the fluids and irritates the nerves. No Worm Medicine yet discovered combines all these qualities so perfectly as CARTER'S GERMAN WORM CANDY, manufactured by the original proprietor, WILLIAM NICK, (from Germany,) for the present proprietors, CARTER & BROTHER. Those wishing to use this kind of Worm Medicine should be particular to ask for CARTER'S GERMAN WORM CANDY, and not let themselves be put off with any other Erie, Feb 25—38.

AN experienced Nurse and Female Physician, presents to the attention of mothers her

SOOTHING SYRUP,

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay all pain and spasmodic action, and *is sure to regulate bowels*, and relief and health to your infants. We have put up and sold this article for over ten years, and can say, in confidence and truth of it what we have never been able to say of any other medicine—*Never has it failed*, in a single instance, to effect a cure when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of commendation of its magical effects and medical virtues. We speak in this matter "what we do know," after ten years' experience, and pledge reputation for the fulfillment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most experienced and skillful Nurses in New England, and has been used with never failing success in thousands of cases. It not only relieves the children from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve GRIPING, IN THE BOWELS, AND WIND COLIC, and overcome convulsions, which, if not speedily remedied, end in death. We believe it the best and surest remedy in all cases of Diarrhœa in Children, whether arising from teething or any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—to not let your prejudices, nor the prejudices of others, stand between your suffering child and the relief that will be sure, if we, she lately sent, to follow this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper
