Kitchen was recently tried in the Quarter Sessions of this city, for an assault and battery on his wife. Mrs. Krs. Kitchen was brought to the stand-couldn't swear that her husband had ever struck, but swore that he indulged in whisky, and failed to support his family. Mr. Kitchen

with the recognition, he was for. Startled with the recognition, he was for. In moment lost in wonder, but soon recognition and the jury." said Mr. Kitchen, "is a member of a church. Mrs. Kitchen for-sakes her kitchen, and spends half her time in the church lecture-room. While my breeches are running to seed, and the children going about with ill-kept noses and dilapidated extremities, Mrs. Kitchen diately. She gladly consented, and the dies about the shocking nudity of South Sea islanders. While willing to provide for her, gentlemen of the jury, I ain't willing to leed all the brethren of the church, nor to give Bohea parties to twenty people twice a week, neither. If I've got tight on the strength of such provocation, gentle-men of the jury, it sin't a bit more than

the best of you would have done if placed but they are sources of large streams : a in my circumstances; and if you was me, helm is a little thing, but it governa the and I was you-knowing the case as I do course of the ship; a bridlebit is a little -I'd render a verdict of acquittal, and served the woman right." The jury ren-dered a verdict of "Not Guilty"-thinking evidently that Mrs. Kitchen should give more attention to herown kitchen and her little kitchens.

Two very respectable families in

head in her hands, confessed that for a moment the thought crossed her mindwhat if she should do this? No one would know it. Here is comfort and a home an escape at length ; and on the other side, a long, weary struggle and starvation. But in the midst of this, there seemed to come up before her a figure of her mother, she saw the face and the warning gesture almost as distinctly as she ever saw any one. She seemed to call her away, and then she thought of all she had ever told her o heaven and of God, and she started up and said, with sobs and gasps, "I know I am poor, I have nothing, I have no home and of marriage is stated to have actually ta-key place between two negroes, with a ne-give me all the money of New York, heaped ten times over, I would not do this further said to be the form generally used thing! Why do you come here to tempt

That day she heard accidentally of the society to help children, and resolved to go and every heart to enjoy. Mr. Jim Thompson, whosoever stands fastly by your left side, do you take her for your dearly belowd wife to we take her for result.

The simple truthfulness and pathos of and be safe, holy and be holy, loving and this girl's story cannot be represented. Of be loving? Do you love her mother? Do all heroic scenes which the upper Powers you love her father? Do you love her ever looked upon in this world none can brothers? Do you love her sisters? Do surpass that where the poor, weak, starving you love her master? Do you love her girl, deserted of men, and seemingly shan doned of God, spurns from her the greatest of all temptations, and deliberately chooses "Miss Mary Thompson, whosoever stands starvation rather than dishonor or wrong Perchance among those in this city, who sneer at, or bargain for, woman's virtue, him through health and conflution, safe and this little story, out of the real life of New be safe, holy and be holy? Do you love York, may show what a priceles, pearl this his mother? Do you love his father? - virtue is, that the lonely, famished child should choose the pangs of famine rather than loowe it.

A PUZZLED PHYSICIAN .--- Dr. Fernenu, of Mary fastly by the right hand, and I shall Suffolk county, was called a week or two pronounce you both to be man and wite. Since to visit a Canadian bricklayer, living at Cold Spring, and who was suffering from an attack of pleurisy. Dr. F. ordered him to apply a poultice to the part affected, and also left a potion to be taken internally .--The suffering Canadian, thinking the out side application more palstable than the powder, reversed the physician's directions and the next day found himself restored A FUNST CASE - A man named Pierce to health. On his rounds the next morn ing, the worthy physician called to see hu bricklayer patient, and was surprised a well as pleased to find him up and at work and attributing his recovery to the remedies he had prescribed, approached him

with a query-"So ho' you are well already, are you ?" "Oh, yees," replied the patient, beaming on the doctor with an expression of gratitude, "I swallow de poul-teers and rub all de pow-dare on de rib, and feel mooch bet ture good !"

The puzzled physician satisfied kimself that such was really the case, and then drove off whistling.

four year old, named Maime, who some times comes in to chat with my little boys. Her mother is religious: her father, I am sorry to say, is not. The other day Maimee was expatiating to my boys on the good qualities of her mother; how she read the Bible, and prayed with the children, &c., when she seemed to reflect that such high commendations of one parent were rather at the expense of the other, and added.-'My papa is a good man, too ; he reads the Sunday papers !
