THE SANGERFERT. -- According to the decision | 15T of the committee appointed to supervise preparations for this Festival of German Singers, the Sangerfest will begin in the city of Buffalo, on Tuesday, the 24th of July. The programme is to be as follows: -Tuesday, the 24th, reception of the various song-unional in the evening a reception concert; Wedge 25th - forenoon rehearsal, in the second rehearsal in the second re the che

Grand Concert. Thursday, the the forenoon, a conference of the state of in the evening, the Grand Concert, a which the prizes will be sung for; a ball will follow this Friday, the 27th, Picnic; Saturday, the 28th, an excursion to the Falls will close the Festi-

As there will be over a thousand singers present on this great occasion, it is clear there is no hall in Buffalo near large enough to acand all of the Rhode Island State Kormal commodate either the audience which will seek to enter, or the immense body of harmony which will peal up from this multitude of powerful throats. In view of this fact, it is pro ally fillour outside, the render will find posed to procure for the grand concerts one of

We understand a large number infend being present from this city and vicinity

Mr. A S BABCOCK, from Albany, N , a gentleman of capital and enterprise, is prosecuting the search for rock oil in Portland, Chamanqua Co. N. Y. He writes to a gentle man in this city, that he is boring two wells one of which has been sunk 981 feet from the ral Agricultural Society of that county, surface-32 feet of which are through solid Boys' Caps and Soft Hats. rock, the second one has been sunk 50 feet through the rock, where the drill has become fast Mr B thinks that, judging from surface and other indications, and the opinions of peo ple from Union and Titusville, he shall succeed From one of the wells was proceeds in sufficient quantities to light a small city We

have but little faith in the oil prospects of any portion of the lake shore north of the wridge We have been informed that, at an early day wells were sunk in search of salt, within a short distance of the place where Mr. Bancock is prospecting, to the depth of nearly six hundred feet, without even as much as "a smell" Fair which seed for the purpose, four miles let w, of anything but gas. If oil is to be found in that section it must be at a greater depth than has yet been reached

Extended to As Hannibal Hamlin is man whose phir is not very familiar to the tublic, the Yankee publishers have taken advantage of it, and one publishes a wood cut of Burton, the comedian as a correct likeness of the Maine Senator another substitutes a prefare of Mulard Fillmore, used four years ago and one finally caps the climax by putting the name of Hamlin under a wood chap published only a few weeks ago as Hicks the pirate

Lose and Smort Days - We have about ray, Saturday at 2 P. M., at the Society reached our congestierin of daylight, which to be in the Court House, and will be held, will give about sixteen hours of sunshine out arrieds hereafter during the season. The called the twenty four. The following facts we tees and premiums will be made known an explain an exchange and Berlin and London the longest day has sixteen and a half hours out Stockholm the longest day has eight and a last hours at Hamburg the longest day the exention hours and the shortest seven !

now completely and cardy thrown over obstructions while in motion, simply by the weight of the driver in his place, thus dispersing with all eve s, and complicated arrangements to effect the same object. A Castor Wheel, upon an entirely new principle has been added to the grain side of the machine, wholly relieving the horses from pressure in turning, and lessening sade draught; also a lever shipper conveniently adjusted for threwing out, and in gear, while the compact form of the machine stables the raker to perform his work with much greater case. I will refer to my circular for further information as to Patents, Testimonials, &c.

In addition, I would say, as heretofore, that furmare who may destire it, are at theirty to work my Machine through the Arrest, with any other, AND KEEP, AND PAY FOR, THE ONE PREFERRED. Agents are supplied with pamphlets, &c.

CYRUS H, MCCORMICK & BRO.

Rogers & Bennett, Agents, Erie, Pa. may26—51.
